Hi Jill,

With apologies for pressing, I wanted to follow up on these dates. As it turns out, we'll need proposed dates before we can move any further in the approval process. If you could please let us know whether these dates work for you as soon as you can, we'd be very grateful.

Thanks,
[REDACTED]

Hi Jill,

Thanks very much for taking the time to (virtually) meet with us last week, we very much appreciated the chance to speak with your client. We have been working on seeking approvals for a potential meeting with your client [REDACTED] in the coming weeks. Although we won't know whether the meeting is ultimately approved until we complete the process, we are working on the issue in the hopes of making this possible.

It would be very helpful to us in the approval process to be able to propose specific dates for a meeting. We would suggest that we set aside three days for successive meetings, if that works. Would you and your client be available for meetings on October 14th, 15th, and 16th? Alternatively, we would propose the 20th, 21st, and 22nd.

If you could please let us know your availability, we'd very much appreciate it, and we'll keep you updated when we have more information.

Thanks very much,

[REDACTED]

Hi Alison

I rather assumed that you were not able to travel given the inherent difficulties with that and how you would be able to meet with people [REDACTED] without having to self-isolate first.

Let me know when is good for you for a video conference call.

Kind regards

Jill

Jill,

Thanks very much for reaching out. We would be glad to schedule a videoconference with your client to discuss her questions and concerns. Are there particular dates and times that would work best for you and your client?

We are in the process of looking into the current rules on travel for government employees, and will let you know as soon as we have more information. Our team is willing to travel if we are permitted to, but we're not yet certain whether that

is possible.

Thank you,

Jill,

We're very gratified to hear that your client is willing to speak with us, and we would be happy to answer her questions as best we can.

In terms of logistics, I recently moved to a new position within our office and so the current team has been updated – the investigation is now being handled by [REDACTED] and [REDACTED], whom you've spoken with previously, as well as new addition [REDACTED], who also has extensive experience in these types of cases—they're all copied here. They'll follow up with you to schedule a time for the discussion, and they can let you know the latest status on any anticipated approvals for Government foreign travel (which I believe currently is prohibited for us, otherwise we would be happy to travel to meet in person).

Thank you very much for your continued assistance in connection with our investigation, and I expect [REDACTED] will be in touch shortly as well.

thanks again,

Hi [REDACTED]

My client would like to speak to you to discuss matters. This would be in the form of her asking how you would manage this. She did also ask if you were travelling to [REDACTED] at any point so. I said not but if I am wrong please do let me know.

Thanks

Jill
