Motion to Excuse 341.pdf  
20 KB

Ms. [Redacted]

We filed a Motion to excuse your appearance from the 341 Meeting of Creditors on August 5th. Please print off the attached interrogatories and fill out the answers to each question. Once this is done, you will need to take the documents to a notary for them to notarize your signature. After the documents have been completed and notarized, please return the original documents to us via mail. This is a little time sensitive, so please try to get this done as soon as you can.

Please let us know if you have any questions.

Sincerely,  
[Redacted]  
Legal Assistant
