9 taken against you if you choose not to answer
10 any questions.

11 [REDACTED]: Uh-huh.

12 [REDACTED]: Any statement you furnish may

16 [REDACTED]: Uh-huh.

17 [REDACTED]: The waiver states, "I
18 understand the Warnings and Assurances stated

24 sign your name, and print your name right below
25 it.

1 [REDACTED]: Here's a pen for you, if
2 you need one.

3 [REDACTED]: So, do I need a union rep for
4 this?

5 [REDACTED]: You could have one, if
6 you want, but like we mentioned, it's going to
7 be primarily to review the statement that you
8 already provided.

9 [REDACTED]: Okay.

10 [REDACTED]: And just to ask for some
11 clarification on some of the information that
12 you provided.

13 [REDACTED]: Let's get this over with.

14 [REDACTED]: Thank you for signing. This
15 is Agent [REDACTED]. I'm going to put the date as

23 [REDACTED]: Did you understand the form?

24 [REDACTED]: Yes.

25 [REDACTED]: You understand it's a

1 voluntary interview --

2 [REDACTED]: Yeah.

3 [REDACTED]: -- and you can end the
4 interview.

5 [REDACTED]: Like -.

6 [REDACTED]: You don't have to answer if
7 you don't want to.

8 [REDACTED]: It's been like this every
9 time.

10 [REDACTED]: Yes.

11 [REDACTED]: Yeah.

12 [REDACTED]: Before starting the
13 interview, I would like to place you under
14 oath. Can you please raise your right hand?
15 [REDACTED], do you swear to tell the truth and
16 nothing but the truth during this interview?

17 [REDACTED]: Yes.

18 [REDACTED]: Thank you. You can put your
19 hand down. [REDACTED], please let me know if
20 you do not understand any questions I ask, and
21 I will try and repeat it, or try to rephrase it
22 for you.

23 [REDACTED]: Mm-hmm.

24 [REDACTED]: Okay. I just wanted to show
25 the recorder is right there.

1 [REDACTED]: Yup.

2 [REDACTED]: What is your current home
3 address?

4 [REDACTED]: My current home address would
5 be [REDACTED].

6 [REDACTED]: Where is that?

7 [REDACTED]: In [REDACTED].

8 [REDACTED]: What part?

9 [REDACTED]: [REDACTED].

10 [REDACTED]: [REDACTED], [REDACTED]. Okay.

11 What is your date of birth?

12 [REDACTED]: [REDACTED].

13 [REDACTED]: What is your social security
14 number?

15 [REDACTED]: [REDACTED].

16 [REDACTED]: What is your current phone
17 number?

18 [REDACTED]: [REDACTED].

19 [REDACTED]: What is your highest level of
20 education?

21 [REDACTED]: High school with some college.

22 [REDACTED]: What high school?

23 [REDACTED]: [REDACTED]

24 [REDACTED].

25 [REDACTED]: Okay. And some college. Did

1 you earn a degree?

2 [REDACTED]: No. I haven't finished that.

3 I started in [REDACTED]

4 [REDACTED]. And then, I did online. So,
5 and now, I'm working here.

6 [REDACTED]: What major are you following?

7 [REDACTED]: It was criminal justice.

8 [REDACTED]: Were you planning - you were
9 going to finish that up, you said?

10 [REDACTED]: I want to.

11 [REDACTED]: Okay. Do you have any
12 military service?

13 [REDACTED]: Yes.

14 [REDACTED]: What branch?

15 [REDACTED]: Army.

16 [REDACTED]: Honorably discharged?

17 [REDACTED]: Yes.

18 [REDACTED]: When did you serve?

19 [REDACTED]: [REDACTED].

20 [REDACTED]: And what grade were you when
21 you left?

22 [REDACTED]: I was [REDACTED] when I left.

23 [REDACTED]: Okay. How long have you
24 served with the Federal Bureau of Prisons?

25 [REDACTED]: Approximately six years now.

1 [REDACTED]: What was your enter on duty
2 date?
3 [REDACTED]: It can be a month and
4 year.
5 [REDACTED]: Yeah.
6 [REDACTED]: Yeah. It was [REDACTED]. [REDACTED].
7 [REDACTED]. Yeah. Because I just made six years.
8 But I could get that, as --
9 [REDACTED]: Oh, that's easy.
10 [REDACTED]: -- a paper.
11 [REDACTED]: It's fine. It's just a
12 know approximately when you started.
13 [REDACTED]: Okay. And what did you prior
14 to working at the Metropolitan Correctional
15 Center?
16 [REDACTED]: Army. Cleaning job. And car
17 dealerships. Until I landed this.
18 [REDACTED]: Okay. And what year did you
19 start here, again?
20 [REDACTED]: [REDACTED].
21 [REDACTED]: With the MCC?
22 [REDACTED]: Yes.
23 [REDACTED]: Have you been here at the MCC
24 the whole time?
25 [REDACTED]: Yes.

1 [REDACTED]: Okay. What is your current
2 position with the MCC?
3 [REDACTED]: Senior Officer.
4 [REDACTED]: Who is your current
5 supervisor?
6 [REDACTED]: The Operations Lieutenant.
7 [REDACTED]: What's the name?
8 [REDACTED]: I think [REDACTED] is the
9 Operations tonight.
10 [REDACTED]: Operations Lieutenant. Do
11 you -?
12 [REDACTED]: So, what do you mean by
13 that? It's every day, it's a different one, or
14 (Indiscernible *00:06:15)?
15 [REDACTED]: It can very well be. So, the
16 lieutenants sometimes will work on a different
17 schedule than us. So, our schedule, like, a
18 schedule might not line up, like, tonight I'm
19 working, [REDACTED] is working right now, but some -
20 like, yesterday, it was [REDACTED] that was
21 working.
22 [REDACTED]: Sure.
23 [REDACTED]: So, you know, you never know.
24 [REDACTED]: Okay.
25 [REDACTED]: Do you recall being

1 previously interviewed by the FBI and OIG
2 regarding the Epstein investigation?

3 [REDACTED]: Yes.

4 [REDACTED]: I'm going to read you a
5 summary of the FBI's notes. The reason, these
6 notes belong to the FBI, but because the OIG
7 was present, we do have the notes along with
8 you, too. So, I'm going to read it --

9 [REDACTED]: Uh-huh.

10 [REDACTED]: -- just tell me if there's
11 any corrections, or --

12 [REDACTED]: Okay.

13 [REDACTED]: -- anything that's missing.

14 [REDACTED]: Okay.

15 [REDACTED]: I'm going to go right into
16 it. "[REDACTED] informed that he has been a guard
17 with the Bureau" -.

18 [REDACTED]: Yeah, yeah. Start from
19 the beginning.

20 [REDACTED]: All right. So, "On September
21 25, 2019, at approximately 11:30 hours, the
22 undersigned, along with Special Agent [REDACTED]
23 [REDACTED] of the Office of the Inspector
24 General, Special Agent [REDACTED] of the
25 Federal Bureau of Investigation, and Assistant

1 United States Attorneys, for the southern
2 district of New York, [REDACTED], and
3 [REDACTED], did interview Federal Bureau of
4 Prisons Correctional Guard, [REDACTED].
5 Date of birth: [REDACTED], at the Southern
6 District of New York. This interview was
7 conducted in the presence of [REDACTED] attorney.
8 [REDACTED] informed that he has been a guard with
9 the Bureau of Prisons (BOP) for approximately
10 three years, all of which have been at the
11 Metropolitan Correctional Center."

12 [REDACTED]: Mm-hmm.

13 [REDACTED]: So, are you represented
14 in this matter? Are you represented in this
15 matter?

16 [REDACTED]: Yeah. I guess so. I mean, I
17 had a lawyer --

18 [REDACTED]: Yeah. So, this is --

19 [REDACTED]: -- then.

20 [REDACTED]: -- so, I do want to make
21 sure you understand this is a voluntary
22 interview. I know that you had an attorney
23 there. Are you good with us reviewing this
24 report, and -?

25 [REDACTED]: Yeah. We could review it real

1 quick, and just get this over with.

2 [REDACTED]: Okay.

3 [REDACTED]: "[REDACTED] informed that he has
4 completed all the basic and required training
5 for being a guard in the BOP, and that he is
6 currently the senior officer in the Special
7 Housing Unit (SHU)."

8 [REDACTED]: Well, then I was.

9 [REDACTED]: At that point. Okay. And
10 August 2019?

11 [REDACTED]: Mm-hmm.

12 [REDACTED]: Okay. Did you -?

13 [REDACTED]: I wasn't the number one
14 officer that night, but -.

15 [REDACTED]: Who was that number one
16 officer?

17 [REDACTED]: I'm not even sure.

18 [REDACTED]: Here's the daily
19 assignment roster from that night.

20 [REDACTED]: Can you see it, by looking at
21 the -? We provided the MCC New York roster for
22 August 9th, 2019.

23 [REDACTED]: Okay. He was on OT. Yeah. I
24 was the number three man.

25 [REDACTED]: You were number three. Who

1 was number one? Are you pointing to ■.

2 ■?

3 ■: Yeah.

4 ■: Okay.

5 ■: Now, was ■ - was
6 he non-custody, though?

7 ■: Yeah.

8 ■: So, being that he was
9 non-custody, would you actually be kind of the
10 OIC, being that you were, like, were you more
11 senior, or -?

12 ■: No. Actually, he has more
13 time in the Bureau than I do.

14 ■: He does? Okay. So, he
15 would be kind of responsible, at the time,
16 then?

17 ■: Yeah. Like, the way it's a
18 very tricky thing, the way that that works
19 here.

20 ■: Okay.

21 ■: You know, so, even if -
22 because he has more time than me, he's not -
23 because he started in custody - he has more
24 time than me, so I guess when they gave him the
25 overtime, they just, like, filled in the slot.

1 [REDACTED]: Okay.

2 [REDACTED]: You know, I worked in there
3 every day, at that point in time, but what am I
4 supposed to tell the man, like, yo, you're
5 number one, what am I supposed to anybody?

6 [REDACTED]: Sure. So, technically,
7 because he's number one, he was the OIC?

8 [REDACTED]: Yeah.

9 [REDACTED]: I gotcha.

10 [REDACTED]: But, you know, that's -.

11 [REDACTED]: Have you received MCC
12 refresher training? Annual refresher training?

13 [REDACTED]: In SHU?

14 [REDACTED]: In SHU, MCC training, and
15 also in SHU.

16 [REDACTED]: Oh, like, oh, yeah, the annual
17 --

18 [REDACTED]: Yeah.

19 [REDACTED]: -- training or whatever?

20 [REDACTED]: Yeah.

21 [REDACTED]: Like, yeah. I just did that
22 on the computer this year.

23 [REDACTED]: Ask him --

24 [REDACTED]: Did you have -.

25 [REDACTED]: -- you know, you want to

1 ask him about at the time.

2 [REDACTED]: I'm going back. Yeah. In
3 2019, did you receive the annual MCC refresher
4 training?

5 [REDACTED]: I believe so. I don't even
6 remember at this point, but I could look it up
7 in the computer.

8 [REDACTED]: Everybody pretty much
9 does every year, though. Correct?

10 [REDACTED]: Yeah.

11 [REDACTED]: So, you (Indiscernible
12 *00:10:10).

13 [REDACTED]: But we're supposed to. But
14 sometimes, we'll be off.

15 [REDACTED]: Sure.

16 [REDACTED]: Do you recall, in 2019, if
17 you received the SHU training?

18 [REDACTED]: Quarterly training.

19 [REDACTED]: Quarterly training.

20 [REDACTED]: In order to your -. You
21 were, like, assigned to the SHU.

22 [REDACTED]: Yeah. At some point in time,
23 I probably did. What the dates are, I don't
24 remember.

25 [REDACTED]: Okay. What about the suicide

1 prevention training? In 2019.

2 [REDACTED]: That would have been part
3 of the SHU.

4 [REDACTED]: Part of the SHU training.

5 [REDACTED]: Yeah, as well as part of
6 --

7 [REDACTED]: Yeah.

8 [REDACTED]: -- the annual refresher
9 training.

10 [REDACTED]: Yeah. I've seen that on the
11 computer before, too. Now, in 2019, I don't
12 remember. It was --

13 [REDACTED]: Sure.

14 [REDACTED]: -- It was too --.

15 [REDACTED]: Okay. We're going to go --

16 [REDACTED]: Maybe it was something that
17 was mentioned in the course, that --

18 [REDACTED]: Right. Yeah, yeah.

19 [REDACTED]: -- it's 2021, right?

20 [REDACTED]: Yeah, yeah, yeah, yeah.

21 [REDACTED]: I understand. "When asked
22 about his activities for August 9th, 2019,
23 [REDACTED] replied, 'I assumed that's Epstein day.'
24 [REDACTED] informed that, as far as he can recall,
25 he worked the 2:00 p.m. by 10:00 p.m. shift."

1 [REDACTED]: Yes.

2 [REDACTED]: Can you let me know who else
3 worked with you during that shift? According to
4 when you - if you can refer to the roster.

5 [REDACTED]: Okay. For 2:00 to 10:00, this
6 is me right here, coming in at 2:00 to 10:00.
7 And so, when I came in, some of these people
8 from the dayshift was still here.

9 [REDACTED]: Can you - because we're
10 recording --

11 [REDACTED]: Oh.

12 [REDACTED]: -- say the names that you're
13 pointing to.

14 [REDACTED]: Okay. So, when I came in to
15 do SHU number three, you had [REDACTED], [REDACTED],
16 [REDACTED] still working. And then, at 4:00, when
17 the shift change came on, this is when these
18 individuals came on, [REDACTED], Noel. Well,
19 Noel was already there, I believe. Because she
20 got stuck for overtime that night. But that's
21 when they came in. And then, nobody was
22 assigned to SHU four, after 4:00.

23 [REDACTED]: So, you started 2:00 p.m.?

24 [REDACTED]: I started at 2:00 p.m.

25 [REDACTED]: And during the time that you

1 started, [REDACTED], [REDACTED] - you said [REDACTED],
2 [REDACTED], and [REDACTED] was still there?
3 [REDACTED]: Mm-hmm.
4 [REDACTED]: And at 4:00 p.m., [REDACTED]
5 came on?
6 [REDACTED]: [REDACTED] left when I came in,
7 because he's 1400. His time ended.
8 [REDACTED]: Okay. And then, at 4:00
9 p.m., [REDACTED] came in?
10 [REDACTED]: Yeah. He came up for
11 overtime. Noel came in for her regular shift.
12 [REDACTED]: Okay. I'm going to continue
13 on.
14 [REDACTED]: Mm-hmm.
15 [REDACTED]: And I'm going to read that
16 line again. "[REDACTED] informed that, as far as he
17 can recall, he worked a 2:00 p.m. by 10:00 p.m.
18 shift, and did not see Epstein for the majority
19 of his shift because Epstein was with his
20 lawyers all day."
21 [REDACTED]: Yes.
22 [REDACTED]: "[REDACTED] first recalls seeing
23 Epstein at approximately 8:00 p.m., and at that
24 time, [REDACTED] informed BOP guard [REDACTED]" -
25 that's [REDACTED].

1 [REDACTED]: Mm-hmm.

2 [REDACTED]: "That Epstein needed to make
3 a phone call. [REDACTED] informed that he made the
4 -."

5 [REDACTED]: That's backwards.

6 [REDACTED]: Go ahead. Clarify that for
7 me.

8 [REDACTED]: What happened was is, [REDACTED]
9 informed me that he needed to make a phone
10 call. That's, like, because I can't make that
11 determination, and that's not an officer,
12 that's a unit manager.

13 [REDACTED]: So, [REDACTED] is a unit
14 manager?

15 [REDACTED]: Yeah.

16 [REDACTED]: Do you know his first name,
17 offhand?

18 [REDACTED]: No.

19 [REDACTED]: Okay.

20 [REDACTED]: [REDACTED]? Is that a yes?

21 [REDACTED]: Yes.

22 [REDACTED]: Okay.

23 [REDACTED]: That's all right.

24 [REDACTED]: Sorry.

25 [REDACTED]: No problem.

1 [REDACTED]: That's only because of
2 this.

3 [REDACTED]: Yeah, yeah.

4 [REDACTED]: You know, picking it up.

5 [REDACTED]: So --

6 [REDACTED]: I knew what you meant.

7 [REDACTED]: -- that night, were you in
8 the SHU when this happened? Did [REDACTED]
9 approach you in the SHU?

10 [REDACTED]: Yes.

11 [REDACTED]: So, that night, when that
12 happened, I'm running around, as I normally do,
13 doing things in the SHU. I get the call on the
14 radio. You know, you've got to return, coming
15 into SHU, or whatever. So, when he gets
16 brought in or whatever --

17 [REDACTED]: Who gets brought in?

18 [REDACTED]: -- Epstein.

19 [REDACTED]: Okay.

20 [REDACTED]: Epstein gets brought into the
21 SHU. Just like normal, you know, like, you
22 take them, pat search them, and everything like
23 that, before you put them in the cell. So,
24 [REDACTED] informed me, hey, he needs to make a
25 phone call, I don't know if, like, you know,

1 the judge or anybody tell him that, like, yeah,
2 he gets to make a phone call or whatever. So,
3 okay, no problem. You know, you're owing me at
4 this point in time or whatever. So, now, at
5 that point in time, there was a lot of stuff
6 going on. That, I do remember. There was a
7 lot of things going on. Two other inmates
8 attempted suicides, and, you know -.

9 [REDACTED]: We'll come to -. I'm going
10 to go through that, too.

11 [REDACTED]: Okay.

12 [REDACTED]: You said, so, approximately
13 what time did Epstein get brought back? Do you
14 recall?

15 [REDACTED]: It was 8:00 something, but it
16 was, like, very close to, like, the end of the
17 day. It was locking time. The day was done.
18 Because Epstein usually did that. He would
19 stay with his lawyers from the time in the
20 morning, to the end, when they couldn't stay no
21 more.

22 [REDACTED]: Okay.

23 [REDACTED]: So, he would wait all the way
24 to the very end. And he came back after the
25 legal visits were done, that's around the time

1 he came back. That day, a specific time, I
2 can't remember. But I know it was around 8:00
3 ish, you know, 8:00, 9:00 ish.

4 [REDACTED]: That's fine.

5 [REDACTED]: Because the legal visits
6 usually end about 8:00. But, you know, there
7 was other things going on. You know that?

8 [REDACTED]: Who brought him back?

9 [REDACTED]: [REDACTED] handed him off to me.

10 [REDACTED]: So --

11 [REDACTED]: If I remember correctly.

12 [REDACTED]: -- so, he brought him back
13 from attorney visiting?

14 [REDACTED]: Yes.

15 [REDACTED]: Okay.

16 [REDACTED]: So, he handed him off to me,
17 and told me he needed a phone call or whatever.
18 So, I had to put Epstein, you know - where'd I
19 put him? - I had to put him in the shower
20 because I couldn't put him in the room, with
21 the phone, by himself, and I'm pulling out
22 other inmates at the time, because one of them
23 had a noose tied around his neck. He was
24 probably playing it, but you can't joke like
25 that.

1 [REDACTED]: Which inmate? Do you recall?

2 [REDACTED]: I don't remember his name at
3 the moment.

4 [REDACTED]: Okay. And so, you put him in
5 the shower, you said?

6 [REDACTED]: Yeah.

7 [REDACTED]: And what did [REDACTED] instruct
8 you?

9 [REDACTED]: And what - oh, just to give
10 him a social call, and that's it.

11 [REDACTED]: So, it was a social call, he
12 mentioned?

13 [REDACTED]: Mm-hmm.

14 [REDACTED]: Not a legal call?

15 [REDACTED]: I believe it was a social
16 call.

17 [REDACTED]: And do you recall, who
18 plugged the phone in? Was it you or [REDACTED]?

19 [REDACTED]: I don't remember who plugged
20 the phone in.

21 [REDACTED]: Okay. And do you remember
22 who he said that Epstein wanted to talk to?

23 [REDACTED]: No. He never told me who
24 Epstein wanted to talk to.

25 [REDACTED]: Was any of the instructions,

1 like, did [REDACTED] walk with you to the -? Did
2 he come into the shower area with you?

3 [REDACTED]: No.

4 [REDACTED]: Well, who provided him
5 the call? Did [REDACTED] give him the phone, or
6 did you give him the phone?

7 [REDACTED]: I think [REDACTED] gave him the
8 phone.

9 [REDACTED]: All right.

10 [REDACTED]: Because I didn't hand him the
11 phone.

12 [REDACTED]: Okay.

13 [REDACTED]: I mean, [REDACTED] told me what
14 he, you know, what he needed or whatever.
15 Okay. No problem. Took him over there to the
16 shower, put him in there, and then, I can't
17 remember who plugged in the phone, to give him
18 the phone call. I don't remember right now.

19 [REDACTED]: Because did you --

20 [REDACTED]: You might add -.

21 [REDACTED]: -- ever finish that
22 sentence? So, finish the sentence --

23 [REDACTED]: Yeah.

24 [REDACTED]: -- before asking the
25 questions.

1 [REDACTED]: Like -.

2 [REDACTED]: Okay.

3 [REDACTED]: Because it was two years
4 ago. He's got to -. And doesn't it say in
5 there --

6 [REDACTED]: Yeah. It'll go.

7 [REDACTED]: -- that -.

8 [REDACTED]: "[REDACTED] informed that he made
9 the decision to have Epstein call from G-tier
10 shower to make the call, and believes -."

11 [REDACTED]: That, I did. Because I told
12 him, put him over here. Because we couldn't
13 put him next to these other inmates. That,
14 yeah.

15 [REDACTED]: Okay. Because those are the
16 inmates that was threatening suicide?

17 [REDACTED]: Yeah.

18 [REDACTED]: Okay.

19 [REDACTED]: They were, and they were on
20 his tier.

21 [REDACTED]: Okay.

22 [REDACTED]: So, on L-tier?

23 [REDACTED]: Yeah.

24 [REDACTED]: Was, people were
25 threatening suicide?

1 [REDACTED]: Yeah.

2 [REDACTED]: Okay.

3 [REDACTED]: I'm going to read that.

4 "[REDACTED] informed that he made the decision to
5 have Epstein call from the G-tier shower to
6 make the call, and believes guards Noel and
7 [REDACTED] were present, as well. [REDACTED] informed
8 that [REDACTED] dialed the number for Epstein."

9 [REDACTED]: There we go. Yeah, because
10 this was a long time ago.

11 [REDACTED]: "[REDACTED] further informed that
12 he did not overhear the conversation, and that
13 [REDACTED] was present for the call initially.
14 And then, left before the call ended. [REDACTED]
15 says that during the Epstein call, another
16 inmate, Williams, was claiming to want to come
17 in from suicide, so that diverted some guards
18 from Epstein." And do you know how long
19 Epstein's call lasted?

20 [REDACTED]: I'm not sure how long that
21 call lasted. I'm sure we could look on the
22 computer and get it.

23 [REDACTED]: Do you know if [REDACTED]
24 plugged that line into the legal line, or the -
25 ?

1 [REDACTED]: I don't.

2 [REDACTED]: You don't know if it was a
3 recorded phone call?

4 [REDACTED]: I don't.

5 [REDACTED]: Okay. And was that normal?
6 Does [REDACTED] normally do that? Allow calls on
7 the legal line, or -?

8 [REDACTED]: Not without permission, to my
9 knowledge.

10 [REDACTED]: Who would have to give
11 permission?

12 [REDACTED]: Like, I've heard times that,
13 you know, a judge may call, like, this person
14 needs a legal call. And when that happens or
15 whatever, like, all right, we got to get these
16 people a legal call. And so, that does happen,
17 but I've never known him to do that on his own
18 accord.

19 [REDACTED]: Okay. Our understanding is,
20 based on the investigation, I think Epstein
21 stated that he wanted to call his mother. So,
22 you think that would have been on the - that
23 should have been on the -?

24 [REDACTED]: That should have been on the
25 recorded line.

1 [REDACTED]: That should have been. Okay.

2 And it should not have been on the legal line?

3 [REDACTED]: No.

4 [REDACTED]: And do you recall if [REDACTED]
5 stayed with him for a little bit? Did he listen
6 to the conversation? Did anybody listen to the
7 conversation?

8 [REDACTED]: I don't think so. Well,
9 that's -.

10 [REDACTED]: Well, it says in here
11 that - so, just read the --

12 [REDACTED]: Yeah.

13 [REDACTED]: -- yeah.

14 [REDACTED]: Because I know [REDACTED] was up
15 there for a while.

16 [REDACTED]: Do you know how long
17 [REDACTED] was there? Was he there for the
18 majority of the conversation, or just a
19 portion?

20 [REDACTED]: Oh, maybe a portion, but I was
21 busy at the time, so I couldn't --

22 [REDACTED]: Sure.

23 [REDACTED]: -- wasn't looking at him the
24 whole time.

25 [REDACTED]: Because we have other

1 people that were in there, that stated that
2 [REDACTED] basically gave him a call, and left.

3 [REDACTED]: Okay.

4 [REDACTED]: And then, later, called
5 back and said, hey, his phone call is up, go
6 get the phone from him.

7 [REDACTED]: Mm-hmm.

8 [REDACTED]: Does that sound right?

9 [REDACTED]: That sounds about right or
10 whatever. I don't think I took that call. But
11 I do remember when --

12 [REDACTED]: Yeah. I don't think you
13 did, either.

14 [REDACTED]: -- yeah, but I know when
15 everything was all said and done, then dealing
16 with the other inmates, you know, I can't
17 remember who took the phone out. I do remember
18 helping somebody bring Epstein back to his
19 cell, and put him in the cell, because I think
20 I was the one that put him in the cell.

21 [REDACTED]: You put him back into his
22 cell?

23 [REDACTED]: In his cell.

24 [REDACTED]: Okay. You know, from the
25 shower, you brought Epstein back from G-tier

1 over to L-tier.

2 [REDACTED]: To his cell.

3 [REDACTED]: Or into his cell. Okay.

4 [REDACTED]: So, when you went to get
5 Epstein out of the cell, was the phone still in
6 there with him?

7 [REDACTED]: I don't remember.

8 [REDACTED]: Okay. And do you know how
9 long after he started the phone call, you
10 brought him back to the cell?

11 [REDACTED]: With everything going on --

12 [REDACTED]: Just read it.

13 [REDACTED]: -- I mean -.

14 [REDACTED]: I think it says it in
15 there. So, you could keep on reading, and
16 then, it'll probably get to that.

17 [REDACTED]: "After all the guards dealt
18 with inmate Williams, Epstein needed to be
19 placed back in the cell. [REDACTED] recalls no
20 other guard getting up to move Epstein, so he
21 made the move at approximately 9:30 p.m."

22 [REDACTED]: Mm-hmm.

23 [REDACTED]: "[REDACTED] recalls guard Noel
24 filing out the 30-minute round paperwork, while
25 he did some of the administrative computer

1 stuff. [REDACTED] informed that -."

2 [REDACTED]: Before we get onto that,
3 though --

4 [REDACTED]: Yeah.

5 [REDACTED]: -- does that sound right?
6 9:30 p.m.? Was that when --

7 [REDACTED]: Mm-hmm.

8 [REDACTED]: -- so, he basically was
9 put in there - what does it sound like? -
10 around 8:00, and then, about --

11 [REDACTED]: Mm-hmm.

12 [REDACTED]: -- 9:30, you moved him
13 back?

14 [REDACTED]: Yeah. Because I, like, he had
15 to stay in there a little longer than probably
16 we wanted, because so much stuff was going on
17 that day.

18 [REDACTED]: Right.

19 [REDACTED]: Do you -. Go ahead.

20 [REDACTED]: So, being that he was in
21 there for probably an hour, maybe an hour and a
22 half, the majority of that time wasn't spent on
23 the phone. Correct?

24 [REDACTED]: No.

25 [REDACTED]: Can you estimate, like,

1 around -?

2 [REDACTED]: Because if his phone calls
3 ended after 15-minutes, if [REDACTED] did call
4 back or whatever, and that phone call - that
5 phone is supposed to die, it's supposed to go
6 off anyway after a certain timeframe.

7 [REDACTED]: Even on a legal line?

8 [REDACTED]: Not on a legal line.

9 [REDACTED]: Right. So, the
10 information we have is, it was actually a legal
11 line call.

12 [REDACTED]: Okay.

13 [REDACTED]: And that's what we're a
14 little confused about, why he was given a
15 personal call on a legal line. But do you know
16 anything about that?

17 [REDACTED]: I know up there in that SHU,
18 that if - and it's very difficult, especially
19 when you're short-staffed - you know, you have
20 orderlies that walk around and, you know, try
21 to help keep the place clean. If you're short
22 staffed, and you can't be everywhere, and you
23 have an orderly cleaning the tier, they will
24 take those little things, and flip the, you
25 know? Like, so, if you have somebody that's

1 coming up to SHU to work overtime, who doesn't
2 work up there all the time, they don't know
3 that the inmate pulled a fast one, and moved
4 the thing that says legal down to social, and
5 vice versa.

6 [REDACTED]: Oh, well, the information
7 we have is actually, it was an intentional
8 legal line. So, not that, like, an orderly
9 actually misplaced it, but it was intentionally
10 --

11 [REDACTED]: No, no, no. Not the orderly
12 putting the line in or whatever. What I'm
13 saying is the stickers on the jacks on the
14 wall.

15 [REDACTED]: Yeah, no, our information
16 is that [REDACTED] actually was instructed, or
17 provided, was provided approval to give a legal
18 call.

19 [REDACTED]: Oh, okay.

20 [REDACTED]: And do a legal line. But
21 the instructions were also, that we understand,
22 that [REDACTED] was supposed to monitor the entire
23 call.

24 [REDACTED]: Hmm.

25 [REDACTED]: And that's where we're

1 trying to get, like, all right, well, how long
2 was that call, and how long did he monitor? Do
3 you know?

4 [REDACTED]: Gotcha.

5 [REDACTED]: And do you know that?

6 [REDACTED]: That, I don't know. Because I
7 -.

8 [REDACTED]: So, if it lasted 15
9 minutes, do you think he was there for, like,
10 five minutes? The fact that he had to go back
11 somewhere, and then call, and say, hey, his
12 call is up, get that --

13 [REDACTED]: Yeah.

14 [REDACTED]: -- phone from him. Do
15 you remember -? Just because you put in there
16 that he did stay for the call. Can you --

17 [REDACTED]: Yes, I'm --

18 [REDACTED]: -- in your recollection
19 at all, can you think about, about how long he
20 was even there?

21 [REDACTED]: Probably somewhere between
22 five to ten minutes, but, like --

23 [REDACTED]: Okay.

24 [REDACTED]: -- I mean, like, all that time
25 passed now, and I was running around, and --

1 [REDACTED]: Sure. But just, you know
2 he wasn't there for the whole entire thing?
3 [REDACTED]: Right.
4 [REDACTED]: Okay. Sure.
5 [REDACTED]: Mm-hmm.
6 [REDACTED]: And just to clarify, you
7 don't recall if [REDACTED] gave instructions to
8 you, or if you overheard him give instructions
9 to Noel or [REDACTED] about --
10 [REDACTED]: No.
11 [REDACTED]: -- monitoring the call?
12 [REDACTED]: No.
13 [REDACTED]: Okay.
14 [REDACTED]: Like, because usually, on a
15 social call, you don't really have to monitor,
16 because you could just go on the computer, and
17 listen to the phone call. You know, on legal
18 calls, you know, they have attorney/client
19 privilege, so you can't listen anyway. So, any
20 time I know it may be a legal call going on,
21 and I know I can't listen in, it's because they
22 - well, this is now - but they put inmates in a
23 little visit room for their legal calls, so
24 they could do the teleconference because of
25 COVID.

1 [REDACTED]: Mm-hmm.

2 [REDACTED]: But I can't even - you know -
3 I can't sit there and listen to him make his
4 legal call.

5 [REDACTED]: Sure.

6 [REDACTED]: So, I, you know -?

7 [REDACTED]: So, either way, you
8 didn't think you had to listen, because if it
9 was a legal line, you can't listen; if it was
10 social line, it was supposed to be recorded?

11 [REDACTED]: Right.

12 [REDACTED]: All right. And then, do
13 you -?

14 [REDACTED]: And if we had more time, if I
15 knew, you know --

16 [REDACTED]: Yeah, yeah, yeah.

17 [REDACTED]: -- what to do.

18 [REDACTED]: Absolutely. But do you
19 remember, did he instruct you to monitor the
20 call after he left?

21 [REDACTED]: No.

22 [REDACTED]: No.

23 [REDACTED]: No.

24 [REDACTED]: Okay. Okay.

25 [REDACTED]: Any other questions on that?

1 [REDACTED]: No.

2 [REDACTED]: Because I'm going to jump
3 off. Okay. "[REDACTED] recalls guard Noel filling
4 out the 30-minute round paperwork while he did
5 some administrative computer stuff."

6 [REDACTED]: Mm-hmm.

7 [REDACTED]: Do you know if she pre-filled
8 the 30-minute round paperwork?

9 [REDACTED]: I do not.

10 [REDACTED]: Okay.

11 [REDACTED]: Is this the paperwork?
12 What's this?

13 [REDACTED]: Yeah.

14 [REDACTED]: That's the 30-minute round
15 sheet. Yeah.

16 [REDACTED]: So, it's on August 9th,
17 2019?

18 [REDACTED]: Is that for the SHU?

19 [REDACTED]: Mm-hmm. Nope. This is L-
20 tier.

21 [REDACTED]: This would be during evening
22 watch?

23 [REDACTED]: This is morning watch.

24 [REDACTED]: Mm-hmm.

25 [REDACTED]: Day watch. Evening watch.

1 [REDACTED]: Okay. And you were working
2 during evening watch, right?
3 [REDACTED]: From 2:00 to 10:00.
4 [REDACTED]: So, who was doing the round
5 sheets?
6 [REDACTED]: So, this is Noel right here.
7 [REDACTED]: Who's on the other one?
8 [REDACTED]: This one?
9 [REDACTED]: Yeah.
10 [REDACTED]: I have no idea whose signature
11 this is. This is day shift. Yeah. I don't
12 know whose signature this is right here.
13 [REDACTED]: [REDACTED]? Is it -.
14 [REDACTED]: Actually, hmm -.
15 [REDACTED]: Like, [REDACTED].
16 [REDACTED]: It actually might be. Yeah.
17 That looks like an "R." Yeah.
18 [REDACTED]: You're not sure, but
19 maybe [REDACTED], though?
20 [REDACTED]: Yeah. Maybe.
21 [REDACTED]: Because it stops, it
22 looks like, at about 2:00 p.m., and wasn't
23 [REDACTED] done by, like, around 2:00 p.m.?
24 [REDACTED]: That's exactly right, because
25 that's when I came in. So, I relieved [REDACTED]

1 that day. So, he stopped right here.

2 [REDACTED]: And is that why they
3 stopped there, because he left?

4 [REDACTED]: He --

5 [REDACTED]: So, it looks like they
6 weren't --

7 [REDACTED]: -- yeah, so, I guess the
8 --

9 [REDACTED]: -- filled in for the rest
10 of the --

11 [REDACTED]: -- right, because the --

12 [REDACTED]: -- time.

13 [REDACTED]: -- date, when I relieved him,
14 I guess he must have been the one controlling
15 this paper. So, I relieved him. And the crew
16 here didn't continue it. I just came in. So,
17 I probably didn't know at the time or whatever.
18 But I think we probably did say later, like,
19 what the hell is this?

20 [REDACTED]: Okay. So, it's probably
21 [REDACTED]. And then, as you noticed, the other
22 -. Do you know why the other round counts
23 wouldn't be filled - the round -?

24 [REDACTED]: These?

25 [REDACTED]: Yeah.

1 [REDACTED]: Yeah.

2 [REDACTED]: Why they wouldn't be
3 filled in?

4 [REDACTED]: For the day watch. The end
5 of day watch, and that would be from --

6 [REDACTED]: From 2:00 to 4:00.

7 [REDACTED]: -- 2:00 p.m. -. Yeah.

8 [REDACTED]: Or 2:30, in this case. From
9 2:30 to 4:00. I'm going to assume that they
10 were forgetting because, like, from what I'm
11 looking at here - and this is just an
12 assumption - from what I'm looking at here,
13 from the time [REDACTED] got into work, he was
14 the one filling out this paper. Nobody else
15 probably thought about it.

16 [REDACTED]: Okay. So, when you
17 mentioned that Noel was filling out the 30-
18 minute round sheets, you're talking about over
19 here?

20 [REDACTED]: Yeah.

21 [REDACTED]: Okay. So, she was
22 filling out the --

23 [REDACTED]: Yeah --

24 [REDACTED]: -- the day watch.

25 [REDACTED]: -- because she wasn't here

1 yet.

2 [REDACTED]: All right.

3 [REDACTED]: She wasn't at work yet.

4 [REDACTED]: Gotcha. So, what -. So,
5 we have information, the investigation has
6 informed us that she actually pre-populated the
7 round sheets that she filled out. Do you know
8 anything about her? When you say that she
9 filled out these things, did she fill them all
10 out in front of you? Did you see that?

11 [REDACTED]: Huh-uh. I didn't see her do
12 that.

13 [REDACTED]: You didn't see her pre-
14 populate it? Okay. Go ahead.

15 [REDACTED]: "[REDACTED] informed that, before
16 he left -."

17 [REDACTED]: I'm sorry. Sorry. I
18 should follow up. What did you see her do?
19 Since you said that you saw her filling out the
20 round sheets.

21 [REDACTED]: Yeah. So --

22 [REDACTED]: What did you see?

23 [REDACTED]: -- yeah, I just saw the round
24 sheet sitting there, and she was doing it. So,
25 I'm assuming that she's just doing it for,

1 okay, cool, we just did that round. And I'm on
2 the computer, doing the other admin work.

3 [REDACTED]: Okay. So, you just --

4 [REDACTED]: Because -.

5 [REDACTED]: -- saw her doing
6 something, but you weren't really watching over
7 her?

8 [REDACTED]: Yeah. Because the thing is,
9 because remember when you asked me about the
10 SHU one position, and I'm SHU three? This is
11 the tricky part. [REDACTED] may be on paper as
12 SHU one, but he's on overtime. I worked up
13 there every day. I'm the only one who has
14 access to do the stuff on the computer.

15 [REDACTED]: Okay.

16 [REDACTED]: So -.

17 [REDACTED]: And what type of stuff
18 were you doing on the computer?

19 [REDACTED]: So, the computer, you do 583s.
20 You do the - there's another SHU log-in there -
21 you do the -.

22 [REDACTED]: When you say 583, that's
23 an incident report, right?

24 [REDACTED]: Yeah. The incident reports.
25 You do the daily, like, inmates took showers,

1 and then, the OIC thing has to have a
2 signature, but because nobody else has the
3 access to it, that portion will fall on me
4 because the paperwork still has to get done
5 anyway.

6 [REDACTED]: Right. So, you were the
7 one on your shift that had access to the actual
8 computer systems --

9 [REDACTED]: Right.

10 [REDACTED]: -- and the databases.

11 [REDACTED]: Mm-hmm.

12 [REDACTED]: Okay.

13 [REDACTED]: Yeah, because they don't. So,
14 I'm, like --

15 [REDACTED]: Sure.

16 [REDACTED]: -- handle this paperwork. The
17 physical paperwork. I'll take care of the
18 computerized.

19 [REDACTED]: Okay.

20 [REDACTED]: "[REDACTED] informed that, before
21 he left, he conducted a round and spoke to
22 Epstein, and asked, 'Are you good?', to which
23 Epstein gave a thumbs up response."

24 [REDACTED]: Yes.

25 [REDACTED]: When you say conducted a

1 round, did you conduct a round through all the
2 tiers, or just around up to Epstein, just to
3 check on him?

4 [REDACTED]: I specifically went to
5 Epstein.

6 [REDACTED]: Okay.

7 [REDACTED]: I specifically went to that
8 dude.

9 [REDACTED]: And you checked on him?

10 [REDACTED]: And I checked. I looked at
11 him. Yo, you good? He gave me a thumbs up or
12 whatever. All right.

13 [REDACTED]: So, what do you mean?
14 Yeah. So, that, I think what his clarification
15 is, you did a round on Epstein. You didn't do
16 a round throughout the SHU. Correct?

17 [REDACTED]: No. Not throughout the SHU.
18 I have specifically checked on him.

19 [REDACTED]: Oh, gotcha. Okay.

20 [REDACTED]: "[REDACTED] said that, before he
21 left, he went back to guards Noel and [REDACTED],
22 and -", oh, this -. "[REDACTED] said that, before
23 he left, he went back to guards Noel and
24 [REDACTED], and 'Make sure you watch him.'
25 Referring to Epstein, "He's your priority."

1 The wording on this is wrong. Do you recall
2 stating that to [REDACTED] and Noel? "Make sure
3 you watch him"?

4 [REDACTED]: Yes, I did.

5 [REDACTED]: "He's your priority."?

6 [REDACTED]: Yeah, I did.

7 [REDACTED]: Why would you state something
8 like that?

9 [REDACTED]: I just didn't like the way he
10 was looking. I can't determine what this man
11 was thinking, but -. And he normally, you
12 know, saying, you ask him a question, if it's a
13 yes or a no question, he would normally just
14 give you a thumbs up or whatever, and stuff,
15 like, pretty much just not want to be bothered
16 with you, for the most part.

17 [REDACTED]: Well, it was -. Wasn't
18 it not true that he was kind of the priority
19 for the whole SHU? Was this sign up in the SHU,
20 saying that, "Mandatory rounds must be
21 conducted every 30 minutes on Epstein, as per
22 God."

23 [REDACTED]: Yeah. That was in the SHU.

24 [REDACTED]: So, do you remember
25 seeing that?

1 [REDACTED]: I do remember seeing that.
2 Where it was actually posted or whatever, I
3 don't know.

4 [REDACTED]: I think it was on one of
5 the computers.

6 [REDACTED]: Yeah. I do remember seeing
7 that. Yeah.

8 [REDACTED]: So, I'm assuming that's
9 also part of the reason why you checked on
10 Epstein. Correct?

11 [REDACTED]: Mm-hmm.

12 [REDACTED]: Because he was the SHU
13 priority?

14 [REDACTED]: Yeah.

15 [REDACTED]: Yeah. And then, you were
16 just reinforcing two of the people when you
17 left, "Make sure you got him"?

18 [REDACTED]: Mm-hmm.

19 [REDACTED]: Okay.

20 [REDACTED]: And then, I looked at the guy,
21 and then, you, you know, he just had a look on
22 his face. I'm, like, and then, that -. And
23 I'm, like, yeah. I stopped.

24 [REDACTED]: So, you actually thought
25 something might be up?

1 [REDACTED]: Yeah. Because I'm looking at
2 him, he gave me the thumbs up or whatever.
3 I'm, like, he just looked different. I can't
4 explain it. But he just looked different. You
5 know, he didn't look like himself. He's an
6 entitled --

7 [REDACTED]: Yeah, yeah.

8 [REDACTED]: -- you know, rich guy or
9 whatever. You know? Just very nonchalantly or
10 whatever, I'm, like, you don't usually do it
11 that way.

12 [REDACTED]: Okay. So, you --

13 [REDACTED]: But that's my personal
14 opinion.

15 [REDACTED]: Yeah.

16 [REDACTED]: That's not a fact.

17 [REDACTED]: Did you mention that at
18 all to --?

19 [REDACTED]: I didn't tell them that part.
20 I just said, "Watch this guy."

21 [REDACTED]: All right. So, you
22 didn't say why to watch him --

23 [REDACTED]: Hmm-mm.

24 [REDACTED]: -- you just said, "Make
25 sure you watch him"?

1 [REDACTED]: Yeah. I didn't give them no
2 details. I just said, "Watch this guy."

3 [REDACTED]: Did you have a feeling
4 that he might hurt himself or anything like
5 that?

6 [REDACTED]: I didn't know, but I just felt
7 that it was the best thing to just keep an eye
8 on this dude.

9 [REDACTED]: Okay.

10 [REDACTED]: Mm-hmm.

11 [REDACTED]: Something - your spidey
12 senses went up and said - something --

13 [REDACTED]: Mm-hmm.

14 [REDACTED]: -- something is amiss
15 here, or make sure you're watching him.

16 [REDACTED]: Yeah.

17 [REDACTED]: And your positive you
18 told them that?

19 [REDACTED]: Yeah.

20 [REDACTED]: Okay. And to both of
21 them? Or you just said it both at the same
22 time, or individually?

23 [REDACTED]: I said it both at the same
24 time.

25 [REDACTED]: All right.

1 [REDACTED]: So -.

2 [REDACTED]: And that would have been
3 right around 10:00 p.m.

4 [REDACTED]: Yeah. Right before I left, I
5 was, like, yeah, keep an eye on that dude.

6 [REDACTED]: Okay.

7 [REDACTED]: And right out the door.

8 [REDACTED]: Okay.

9 [REDACTED]: Did they respond to you? Did
10 they say okay?

11 [REDACTED]: I don't even remember if they
12 did. I know they heard me because I was
13 standing right in front of them, but I don't
14 even remember if they responded or not.

15 [REDACTED]: And then, when he gave you a
16 thumbs up, did he say anything else to you?

17 [REDACTED]: Hmm-mm.

18 [REDACTED]: There was no verbal
19 conversation?

20 [REDACTED]: No.

21 [REDACTED]: Okay.

22 [REDACTED]: He very rarely talked unless
23 he wanted something. Yeah.

24 [REDACTED]: Okay. And just because I'm
25 showing you these documents, can you initial

1 and date the top of them? It's not to test
2 what's on the documents, it's more to --
3 [REDACTED]: To show you that --
4 [REDACTED]: -- for our records, that -.
5 [REDACTED]: -- I saw it.
6 [REDACTED]: You saw it. These are
7 documents we showed you.
8 [REDACTED]: And you want me to sign and
9 date?
10 [REDACTED]: Initial and date. Today is
11 8/5/2021.
12 [REDACTED]: And you said it was 8/5 -?
13 [REDACTED]: '21. The same thing for the
14 other ones, too. Excuse me. This one, too?
15 [REDACTED]: Yes, please. This, we'll
16 keep, just in case we go back and refer to it.
17 So, I'm going to read that line back, and
18 finish off the paragraph. "[REDACTED] said that,
19 before he left, he went back to guards Noel and
20 [REDACTED], and, 'Make sure you watch him,"
21 referring -."
22 [REDACTED]: And stated.
23 [REDACTED]: Yeah.
24 [REDACTED]: Make sure you have that
25 word.

1 [REDACTED]: "And stated," just make sure
2 I put that, "And stated, 'Make sure you watch
3 him,' referring to Epstein, 'He's your
4 priority.'"

5 [REDACTED]: Mm-hmm.

6 [REDACTED]: "[REDACTED] stated that Epstein
7 seemed normal and he was just sitting there."

8 [REDACTED]: And that's correct.
9 Right?

10 [REDACTED]: Mm-hmm. Yeah because, like,
11 it's an opinion of mine. I can't tell you --

12 [REDACTED]: Sure.

13 [REDACTED]: -- what I'm thinking.

14 [REDACTED]: Absolutely. We just want
15 to make sure that the report is accurate.

16 [REDACTED]: "[REDACTED] explained the 30-
17 minute rounds, and when asked about the
18 paperwork, stated that the exact times are
19 probably off because they are estimates." What
20 do you mean by "Estimates"?

21 [REDACTED]: Because, at that point in
22 time, it was only three of us in there. You
23 know, so, [REDACTED] is working overtime. So,
24 he's doing multiple things. He's doing his
25 regular job, and SHU stuff at the same time.

1 So, and then, you got dudes over here acting
2 like they want to commit suicide. So now, as
3 you're doing rounds, and everything is going
4 on, you talk to one inmate, now this inmate has
5 a problem. You may forget sometimes to go up
6 there and just write it, you know, write it in
7 or whatever. So, sometimes they might be,
8 like, shit, fuck, I forgot. And then, they'll
9 go back or whatever. I'm not saying, but
10 that's just, you know, normal or whatever,
11 like, oh, man, I forgot. And you just go write
12 in it. That's just normal, how they do it.

13 That's why I hate these papers. I rather just
14 do it on the computer because you can't miss.

15 [REDACTED]: You have questions on that?

16 [REDACTED]: But there's still some
17 more, right?

18 [REDACTED]: Yeah. "When told that there
19 is a video of the SHU area, [REDACTED] stated that
20 he would be surprised to see video of the
21 rounds not being conducted."

22 [REDACTED]: Mm-hmm.

23 [REDACTED]: When asked about -.

24 [REDACTED]: Because they were on their
25 feet all day.

1 [REDACTED]: So, you're saying that they
2 went in and they did the rounds?

3 [REDACTED]: Yeah. I've seen it. Because
4 as I'm doing my paperwork and talking to
5 inmates and stuff like that, they were moving
6 the whole time. I, you know, like, if I
7 remember correctly, I barely saw them sit down.

8 [REDACTED]: So, you saw them moving. Did
9 you actually see them do the rounds, or you
10 just saw them move?

11 [REDACTED]: I saw them going in and out of
12 tiers or whatever, because [REDACTED] -. I know
13 [REDACTED] had a blue bin, at one point in time,
14 he was going from tier to tier, doing
15 something. And I think Noel had the key. You
16 know, but it was a lot of movement that day.
17 So, I guess that's the best way to put it.

18 [REDACTED]: So, you saw movement, but you
19 don't -. You didn't actually see
20 (Indiscernible *00:34:18)?

21 [REDACTED]: They had to go down the range,
22 but I didn't, like -. Every single time, at
23 every 30-minute mark --

24 [REDACTED]: Yeah.

25 [REDACTED]: -- I don't know.

1 [REDACTED]: Okay.

2 [REDACTED]: Just finish the thing,
3 and then --

4 [REDACTED]: Yeah.

5 [REDACTED]: -- you can ask the
6 additional questions.

7 [REDACTED]: "When asked about the round
8 sheets and the sign-off procedures, [REDACTED] could
9 not clearly remember who did what rounds
10 exactly, or what, if any, rounds he did. Only
11 that --

12 [REDACTED]: Mm-hmm.

13 [REDACTED]: -- he would not have signed
14 off on the rounds had they not been conducted."

15 [REDACTED]: That's true.

16 [REDACTED]: And based on the round
17 sheets, you're saying that you saw Noel?

18 [REDACTED]: Mm-hmm.

19 [REDACTED]: Is that Noel's signature on -
20 -

21 [REDACTED]: That's Noel.

22 [REDACTED]: -- on the evening watch?

23 [REDACTED]: Mm-hmm.

24 [REDACTED]: Is that for all the tiers?
25 (Indiscernible *00:34:50).

1 [REDACTED]: This is --

2 [REDACTED]: That's for L-tier, right?

3 [REDACTED]: -- this is for L-tier. Each

4 sheet is for a different tier. And this is J-

5 tier. So, J-tier didn't get finished. K-tier

6 didn't get finished.

7 [REDACTED]: What do you mean, they didn't

8 get finished?

9 [REDACTED]: There's blank spots.

10 [REDACTED]: For what time?

11 [REDACTED]: 11:00 and 12:00.

12 [REDACTED]: What were they doing?

13 [REDACTED]: 11:00 - excuse me - 11:00 and

14 through 11:30.

15 [REDACTED]: What's your take --

16 [REDACTED]: So -.

17 [REDACTED]: -- on why they would be

18 empty?

19 [REDACTED]: Maybe they didn't -. Maybe

20 they didn't do it. I don't know. I don't know

21 why it would be empty. I'm thinking too much

22 now because I'm, like, if this was finished,

23 why wasn't -?

24 [REDACTED]: What is it? You hesitated.

25 [REDACTED]: Yeah.

1 [REDACTED]: Explain that.

2 [REDACTED]: Like, I don't know. Because

3 if you were doing the round here, how did you -

4 ? Unless something happened at that time, at

5 night, but I wasn't at work at that time.

6 Because this is after --

7 [REDACTED]: Okay.

8 [REDACTED]: -- this is after 10:00.

9 [REDACTED]: After 10:00.

10 [REDACTED]: So, I wasn't here for this.

11 [REDACTED]: So, you're saying there's

12 about three tiers where it wasn't finished off,

13 right? The K-tier.

14 [REDACTED]: Mm-hmm.

15 [REDACTED]: That's J-tier.

16 [REDACTED]: That's J.

17 [REDACTED]: And -.

18 [REDACTED]: J-tier. K-tier. H.

19 [REDACTED]: H-tier.

20 [REDACTED]: And G.

21 [REDACTED]: They weren't finished off?

22 [REDACTED]: Hmm-mm.

23 [REDACTED]: Okay. Do you know where?

24 Where were these round sheets kept in the SHU?

25 [REDACTED]: There's been so many changes

1 in here.

2 [REDACTED]: On August 9th and 10th --

3 [REDACTED]: Yeah.

4 [REDACTED]: -- do you recall where these
5 forms were?

6 [REDACTED]: I believe this was by the
7 desk.

8 [REDACTED]: On the officer's desk?

9 [REDACTED]: I believe so.

10 [REDACTED]: Where are the forms supposed
11 to be kept?

12 [REDACTED]: When initially I was trained,
13 they were on the desk. As time went on, they
14 said they wanted them on the tiers. So, a
15 definitive answer on that, the instruction on
16 that has changed so much, like, you know, one -
17 -

18 [REDACTED]: Mm-hmm.

19 [REDACTED]: -- one day, they was, like,
20 keep them on the ranges, another day you come
21 in or whatever, leave it right here so you
22 can't miss it, so you don't lose any papers.

23 [REDACTED]: Why do they keep it on the
24 ranges?

25 [REDACTED]: So, on the ranges, when you do

1 do a round or whatever, you go and do a whole
2 round, when you get to the end of the range,
3 the paper is right there on the clipboard. So,
4 you could sign it, and finish the round, and
5 come out.

6 [REDACTED]: Just to ensure that they're
7 actually --

8 [REDACTED]: Right.

9 [REDACTED]: -- doing their rounds. Okay.
10 And how many people are needed to conduct
11 rounds?

12 [REDACTED]: Only one person is needed to
13 conduct a round.

14 [REDACTED]: Not two people?

15 [REDACTED]: No. Two people are needed for
16 a count.

17 [REDACTED]: And --.

18 [REDACTED]: Because, you know, like, in
19 the --. Unless it's one --.

20 [REDACTED]: Was that per policy, or
21 is that per practice?

22 [REDACTED]: Per practice. When you do a
23 round, it's one person that opens the grill,
24 and one person goes down. Is that what you
25 mean? Because, you know, a count, one person

1 goes down, comes out, and then, the next person
2 goes down and comes out. But for a round, only
3 one person.

4 [REDACTED]: So, we were informed by
5 per policy, at least, counts and rounds are
6 conducted exactly the same way. The only thing
7 difference is that, in a count, you count
8 inmates. Is that not correct?

9 [REDACTED]: Not the way I was taught, but
10 that's per - I'm going to be honest - that's
11 per practice.

12 [REDACTED]: And is that even to date,
13 that's what they do?

14 [REDACTED]: I haven't been in the SHU
15 since --

16 [REDACTED]: Okay.

17 [REDACTED]: -- so, I don't know what
18 they're doing up there.

19 [REDACTED]: Oh, you haven't been in
20 SHU since this date?

21 [REDACTED]: I've been in there after that
22 date, but I haven't been in the SHU in months.

23 [REDACTED]: Okay. So, when you were,
24 after that date, though, they never went over,
25 like, how to conduct a round? And so, yeah,

1 everything that we're saying is that a round
2 and a count is exactly the same. Two people
3 are needed. The only difference is, during a
4 count, you count.

5 [REDACTED]: Hmm. No. I don't --

6 [REDACTED]: You've never heard of
7 that?

8 [REDACTED]: -- I don't remember - after
9 that incident - I don't remember having that
10 discussion with anyone.

11 [REDACTED]: So, your understanding is
12 only one person --

13 [REDACTED]: That's my --

14 [REDACTED]: -- per count --

15 [REDACTED]: -- that's my understanding.

16 [REDACTED]: -- per round. Okay.

17 [REDACTED]: Okay. Any other questions on
18 the rounds?

19 [REDACTED]: Yeah. So, as far as, do
20 you know if these rounds that were on this
21 round sheet, were they all conducted as it's
22 filled out?

23 [REDACTED]: That, I don't know, because --

24 [REDACTED]: You're not sure?

25 [REDACTED]: -- I'm not sure.

1 [REDACTED]: So, what is your
2 understanding, if the one person is only
3 filling out the count, is she filling it out on
4 behalf of - so, in this case, it was Noel - is
5 she filling it out on behalf of everybody in
6 the SHU, or is she only saying that she
7 conducted the round?

8 [REDACTED]: I'm going to assume that she
9 was filling it out for everybody that was
10 working. Like, so, if she did a round, and
11 [REDACTED] did a round, she just filled it out,
12 in that case. I learned my lesson from that,
13 so I only signed when I did it.

14 [REDACTED]: Yeah, yeah, yeah. For
15 that point forward, correct?

16 [REDACTED]: Hell no. I knew that, learned
17 that before it.

18 [REDACTED]: All right.

19 [REDACTED]: So, you only would fill it
20 out. So, you're not, obviously, on here. But
21 is she filling it out for both you and
22 [REDACTED], as well?

23 [REDACTED]: I'm going to assume, maybe.

24 [REDACTED]: Okay.

25 [REDACTED]: But I don't know what her

1 thought process is with this.

2 [REDACTED]: So, how it mentioned
3 there that, you know, the video would be
4 reviewed. That video has been reviewed, in
5 detail.

6 [REDACTED]: Mm-hmm.

7 [REDACTED]: Do you believe that all
8 these rounds were conducted on that date?

9 [REDACTED]: I believe the vast majority of
10 them should have been. Now, were all of them?
11 Because I know for a fact, me personally, I
12 wasn't the one to do every --

13 [REDACTED]: So, you --

14 [REDACTED]: -- single round.

15 [REDACTED]: -- so, you weren't the
16 one conducting the round, but you can't say if
17 the other people were?

18 [REDACTED]: I can't --

19 [REDACTED]: You can only --

20 [REDACTED]: -- I can't say that.

21 [REDACTED]: All right. Do you
22 believe all those rounds were conducted?

23 [REDACTED]: I believe, I definitely
24 believe this - what is this? L and M, and I'm
25 just confused as to the rest.

1 [REDACTED]: Because again --

2 [REDACTED]: But --

3 [REDACTED]: -- we have -. Like, our
4 investigation has showed that that was all pre-
5 filled out.

6 [REDACTED]: So, yeah. And that -. Wait a
7 minute.

8 [REDACTED]: And I don't know why she
9 would pre-fill out some of them, but not the
10 rest.

11 [REDACTED]: I see. I see why. Yeah.

12 [REDACTED]: Explain.

13 [REDACTED]: Yeah. Because of the times.
14 01:02, 33:34. 03 to 04. And then, then you
15 flip the page, it's the same thing. It's just
16 a minute difference. I see why.

17 [REDACTED]: So, now that you're
18 looking at it, do you believe that those are
19 accurate?

20 [REDACTED]: This stuff. It's pre-filled.

21 [REDACTED]: It's pre-filled? These
22 are pre-filled?

23 [REDACTED]: That - and yeah - it's a good
24 possibility that's pre-filled.

25 [REDACTED]: And what do you know

1 about -.

2 [REDACTED]: I can't say that that's for
3 sure what she did.

4 [REDACTED]: But by reviewing it --

5 [REDACTED]: I could see where --

6 [REDACTED]: -- from your knowledge -.

7 [REDACTED]: -- I could see where that
8 assumption would come from.

9 [REDACTED]: But from your knowledge
10 and experience, by looking at the way that
11 that's filled out, you would say that that's
12 pre-filled?

13 [REDACTED]: Yes. Uh-huh. It's a
14 possibility.

15 [REDACTED]: And have you ever pre-
16 filled out round sheets?

17 [REDACTED]: No.

18 [REDACTED]: Do people --

19 [REDACTED]: Not to my knowledge.

20 [REDACTED]: -- do people in general
21 fill out round sheets, and they fill them out,
22 pre-fill them?

23 [REDACTED]: I'm sure they don't now.

24 [REDACTED]: But did they at the time,
25 though?

1 [REDACTED]: At the time, usually, I
2 stopped messing with this after my first
3 incident, and dealing with this round sheet.
4 So, if I do a round, I fill it out. If I
5 wasn't the one that did it, I don't sign it.

6 [REDACTED]: Yeah, yeah. So, what I'm
7 talking about, from August, basically 10th,
8 from the time he was found, previous to that,
9 would you pre-populate round sheets?

10 [REDACTED]: No, I didn't pre-populate.

11 [REDACTED]: Okay.

12 [REDACTED]: Because I learned something
13 before that time, to --

14 [REDACTED]: Oh, what did you learn
15 before?

16 [REDACTED]: Because that was a problem,
17 with people doing that before, and nobody
18 wanting to sign round sheets, for what reason
19 or whatever. So, I was, like, okay, if I did
20 it, sign it; if I didn't do it, not sign it.
21 That's how I learned my lesson. That's why my
22 name is not on this.

23 [REDACTED]: Okay. So, your name
24 wasn't specifically on that round sheet because
25 you're, like, I'm not signing it, and getting

1 jammed up for it?

2 [REDACTED]: If I'm not getting jammed up,
3 if I did it, I sign it; if I didn't do it, and
4 you did it, because I won't sign for anybody
5 else.

6 [REDACTED]: I gotcha. So, she was
7 signing for everybody else, but you wouldn't
8 sign for everybody else.

9 [REDACTED]: Yeah. I didn't even -. I
10 didn't touch this paper at all that night.

11 [REDACTED]: Okay. But previous to
12 that, would you have touched the papers?

13 [REDACTED]: Previous to that, I probably
14 would have done rounds. But I wouldn't have
15 pre-populated the whole thing, like that.

16 [REDACTED]: Would you ever pre-
17 populate any part of it?

18 [REDACTED]: No. I don't think I pre-
19 populate. I don't remember a time that I did
20 pre-populate a thing or whatever. Now, what I
21 will say, because I know it's common or
22 whatever, in the beginning, I probably had
23 something pre-prepped for the count, and that
24 messed up or whatever.

25 [REDACTED]: So, you would pre-prep

1 the count. Not a round.

2 [REDACTED]: I pre-prepped the count slip
3 or whatever. I pre-prepped it.

4 [REDACTED]: Okay. So, you pre-
5 prepped the count slips, but not the round
6 sheets.

7 [REDACTED]: I didn't do this.

8 [REDACTED]: Okay.

9 [REDACTED]: No.

10 [REDACTED]: Fair enough.

11 [REDACTED]: And that's a lesson learned.

12 So, I learned my lesson --

13 [REDACTED]: Sure.

14 [REDACTED]: -- from that.

15 [REDACTED]: Fair enough. Okay.

16 [REDACTED]: Okay. And when you said you
17 pre-prepped the count, are you talking about
18 the night of August 9th?

19 [REDACTED]: 4:00 p.m.

20 [REDACTED]: The 4:00 p.m. count. That
21 was pre-prepped?

22 [REDACTED]: Mm-hmm. I pre-prepped it
23 because of my -. There was so much going on,
24 everybody's leaving, some people coming in, and
25 stuff like that. I'm, like, okay, count time

1 or whatever you -. I wrote it out. I don't
2 remember if I put a number in there or not yet,
3 or whatever. And then, the count was supposed
4 to take place. So, I pre-wrote it or whatever.
5 And then, we just kept working. But there was
6 a lot going on that day. So.

7 [REDACTED]: Perfect. So, going to
8 that paragraph, and then --

9 [REDACTED]: Okay.

10 [REDACTED]: -- you can clarify it.

11 [REDACTED]: Yeah. So -.

12 [REDACTED]: "When asked about the count
13 number in the SHU, for the -."

14 [REDACTED]: Finish the paragraph,
15 too. Don't -.

16 [REDACTED]: Yeah. "When asked about the
17 count number in the SHU, for the date, and the
18 number matching the MCC master number, [REDACTED]
19 stated, 'This would be a mistake on my part.'
20 He probably just used the numbers off the
21 master sheet, and that there was probably
22 signing off, down in response to pressure, and
23 having the count cleared."

24 [REDACTED]: So, was this what you're
25 referring to?

1 [REDACTED]: Mm-hmm.

2 [REDACTED]: All right. So, you're
3 saying that -.

4 [REDACTED]: Because you will get pressured
5 to hurry up and finish the count, even though
6 the job to work in the SHU, the crew is
7 supposed to be four. Very rarely, you're going
8 to have four. You're asked to do the job with
9 four people, with sometimes three, and
10 sometimes two.

11 [REDACTED]: Right.

12 [REDACTED]: So, you're going to -. Your
13 phone is ringing, you're getting pressured,
14 you're getting supervisors coming at you. So,
15 if you don't have a way, you're going to find a
16 way.

17 [REDACTED]: But that's what the
18 master sheet that you refer to?

19 [REDACTED]: The E1.

20 [REDACTED]: Oh, did you have access
21 to the E1?

22 [REDACTED]: I don't think I had access to
23 the E1 at that time.

24 [REDACTED]: So, how --

25 [REDACTED]: Yeah.

1 [REDACTED]: -- if you say that would
2 have been during this interview, then --

3 [REDACTED]: Like, because I don't think I
4 had access to the E1 at that time. I think I
5 had -. It's another roster that we have in the
6 SHU. Like, not a running board. What is the
7 damn thing? I ain't been in there in a while.
8 SHU located. We have a SHU locator. And in
9 that or whatever, when people move, you change
10 it on that paper or whatever. Like, now - if
11 you've been up there - there's a board up there
12 now.

13 [REDACTED]: Okay.

14 [REDACTED]: You know? So, when you - on
15 that locator or whatever, that's probably what
16 I used because I don't believe I had access to
17 this at that time.

18 [REDACTED]: All right. So, you
19 probably --

20 [REDACTED]: Because I wasn't working
21 control at that time.

22 [REDACTED]: -- so, at the time, you
23 used the SHU locator, and the amount of inmates
24 that were listed on the SHU locator, to fill
25 out the 4:00 p.m. count sheet?

1 [REDACTED]: Yeah. Because, like, when
2 you're up there or whatever, like, the day
3 shift, they got to keep that SHU locator right
4 for the most part. You know what I'm saying?
5 You can't really screw that up.

6 [REDACTED]: Okay.

7 [REDACTED]: So, I was, like, okay. Boom.
8 And I - but like I said - I don't remember
9 writing a number in there or whatever, but if I
10 did, I did. That's my mistake. I own that.

11 [REDACTED]: But you do remember that
12 you pre-populated it, though?

13 [REDACTED]: I do remember that.

14 [REDACTED]: Because it's -.

15 [REDACTED]: Like, I know I wrote my name,
16 and then I wrote the date, and stuff like that,
17 or whatever.

18 [REDACTED]: Let's take a look. I'm
19 showing you the E1.

20 [REDACTED]: Mm-hmm.

21 [REDACTED]: And the count sheets for -.
22 Is this for the 4:00 p.m. count on August 9th?

23 [REDACTED]: Mm-hmm.

24 [REDACTED]: Can you - this is the E1 on
25 the front, right?

1 [REDACTED]: Yeah. So, this is the 4:00
2 p.m. count, because this is printed out on
3 15:41.

4 [REDACTED]: Take a look at the back, for
5 your CV, at the count slip that you - for that.
6 Keep going. Is it there?

7 [REDACTED]: Just highlight it, so
8 that we can -. All right. So, ZA. That's the
9 SHU. Correct?

10 [REDACTED]: Mm-hmm.

11 [REDACTED]: And it shows 75?

12 [REDACTED]: Mm-hmm.

13 [REDACTED]: And then, done at 4:00
14 p.m. Who is listed on here?

15 [REDACTED]: [REDACTED] and Noel.

16 [REDACTED]: All right. So, that's
17 yourself, correct? And then, you say you're the
18 one who filled that out right?

19 [REDACTED]: Yeah.

20 [REDACTED]: Is that your handwriting?

21 [REDACTED]: Yeah. It looks like mine.

22 [REDACTED]: All right. Cool.

23 [REDACTED]: The date?

24 [REDACTED]: Yeah, but I didn't -. But I
25 didn't put the -. I don't recall putting the

1 number in here. I know I put the date and the
2 time, and then, I signed down here.

3 [REDACTED]: Does that number look
4 like it was you?

5 [REDACTED]: It looks like it --

6 [REDACTED]: Okay.

7 [REDACTED]: -- but I don't recall doing
8 it.

9 [REDACTED]: Okay.

10 [REDACTED]: I don't. I do not recall
11 doing that.

12 [REDACTED]: Do you know if you
13 conducted the count at 4:00 p.m.?

14 [REDACTED]: No.

15 [REDACTED]: So, does that mean you
16 did not conduct the 4:00 p.m. count?

17 [REDACTED]: I did not. Because, like, I
18 was -. That's why I'm at the bottom. I was,
19 like, I filled it out or whatever. All right.
20 We going to do this. We going to do that. And
21 I was running, too. I was ripping and running
22 or not. I thought that they did. So.

23 [REDACTED]: All right. But you
24 didn't conduct the 4:00 p.m. count?

25 [REDACTED]: No.

1 [REDACTED]: You thought that they
2 did, though?
3 [REDACTED]: I thought that they did.
4 [REDACTED]: Do you know if they did?
5 [REDACTED]: I think they did that, but I
6 don't know for sure right now. No.
7 [REDACTED]: You're not sure?
8 [REDACTED]: It's been too long.
9 [REDACTED]: You didn't.
10 [REDACTED]: Yeah.
11 [REDACTED]: You signed it.
12 [REDACTED]: I didn't.
13 [REDACTED]: But you don't know if -.
14 All right. So, now you can go into those
15 questions.
16 [REDACTED]: So.
17 [REDACTED]: How many people are needed to
18 do the count?
19 [REDACTED]: At least two.
20 [REDACTED]: At least two?
21 [REDACTED]: Mm-hmm.
22 [REDACTED]: And you said that you don't
23 know if they did, but since you --
24 [REDACTED]: Yeah. I was --
25 [REDACTED]: -- signed it, it --

1 [REDACTED]: -- it was an assumption. So,
2 that was my fault. So, I take that.
3 [REDACTED]: Okay. So, technically, it
4 should have been you and whoever else --
5 [REDACTED]: Mm-hmm.
6 [REDACTED]: -- signed off on it, should
7 have done --
8 [REDACTED]: Mm-hmm.
9 [REDACTED]: -- but you don't recall doing
10 the count?
11 [REDACTED]: Hmm-mm.
12 [REDACTED]: No, not to recall. He
13 said he did not do the recall.
14 [REDACTED]: Yeah.
15 [REDACTED]: Yeah.
16 [REDACTED]: He just said --
17 [REDACTED]: That he did not.
18 [REDACTED]: -- he doesn't know if the
19 other two did.
20 [REDACTED]: Okay. Now, do you know if
21 that number was accurate?
22 [REDACTED]: If - I'm going to find out
23 now. I'm sorry.
24 [REDACTED]: Yeah. No problem.
25 [REDACTED]: So, that number was accurate

1 there. So, if the base count was 76, that's
2 because Epstein was at his legal visit.

3 [REDACTED]: Okay. I'm going to -. Let's
4 start off with the 4:00 p.m. count.

5 [REDACTED]: (Indiscernible
6 *00:48:03). This stuff. That's all. All
7 there.

8 [REDACTED]: Okay. I'm going to show you
9 a memo. It's an email from [REDACTED],
10 to [REDACTED], and it's regarding to a shot.
11 Right before inmate, hmm, Leonardo Fernandez,
12 do you recall Fernandez - inmate Fernandez -
13 being in the SHU that day?

14 [REDACTED]: I don't even know who that is.

15 [REDACTED]: He was an inmate in the SHU.
16 And if you can read the -.

17 [REDACTED]: You can just it for him.
18 You don't have to ask.

19 [REDACTED]: Yeah. Well, yeah. This is
20 filled out by [REDACTED]. It's in regards to
21 Leonardo Fernandez. The incident date is
22 8/9/2019. It's at 1:40 p.m.

23 [REDACTED]: Mm-hmm.

24 [REDACTED]: "On August 9th, 2019, at
25 approximately 1:40 p.m., I, SOS [REDACTED], while

1 assigned as a Special Housing Unit officer, I
2 proceeded to enter the Nine South visiting
3 room. As I walked towards the door, I observed
4 through the visiting room door, inmate
5 Fernandez, register number 86824-054, attempt
6 to grab an unknown item from his visitor. Once
7 inmate Fernandez reached to grab the item, I
8 called the door, and called for a lieutenant.
9 Once I was able to enter the visiting room, I
10 gave inmate Fernandez a direct order to walk
11 the visiting room, walk off the visiting room,
12 to conduct a visual search. Inmate Fernandez
13 complied, and a visual search was conducted.
14 The operations lieutenant was contacted, and
15 inmate Fernandez was removed from the unit."

16 [REDACTED]: Mm-hmm.

17 [REDACTED]: Now, this is the lieutenant
18 logs for that day. This is for August 9th.
19 This is day watch.

20 [REDACTED]: Mm-hmm.

21 [REDACTED]: The lieutenant log states,
22 "Inmate Fernandez, 86824054, on dry cell with
23 staff watch in R&D." If you look down here,
24 3:15 p.m., inmate Fernandez was placed on dry
25 cell.

1 [REDACTED]: Mm-hmm. And wait, the time
2 for this one was -?
3 [REDACTED]: That just states the daily
4 sensitive information. So, this is --
5 [REDACTED]: Okay.
6 [REDACTED]: -- this is at 3:15 p.m. So,
7 I'm going to show you the midnight sheet count.
8 [REDACTED]: Mm-hmm.
9 [REDACTED]: From August 10th. This is
10 August 10th. Inmate Fernandez is - again - it
11 states there. If you notice, 12:35 a.m., it
12 was corrected. Inmate Fernandez was removed
13 from the SHU at 3:15 p.m., and was never keyed
14 out of the SHU.
15 [REDACTED]: Show him the quarterly
16 assignment roster.
17 [REDACTED]: Yeah.
18 [REDACTED]: That's all in order.
19 Here it is.
20 [REDACTED]: So, what happened was, when
21 the midnight lieutenant, [REDACTED], came
22 on --
23 [REDACTED]: Mm-hmm.
24 [REDACTED]: -- she realized there was a -
25 -

1 [REDACTED]: A discrepancy.
2 [REDACTED]: -- a discrepancy.
3 [REDACTED]: Mm-hmm.
4 [REDACTED]: So, she went in, she checked
5 it, and she corrected it at 12:35. If you
6 paid, if you look at the inmate history, of the
7 quarters for Fernandez, he was assigned to the
8 SHU --
9 [REDACTED]: Mm-hmm.
10 [REDACTED]: -- from August 2nd, at --
11 [REDACTED]: 14:33.
12 [REDACTED]: -- 14:33. And he was keyed
13 out on --
14 [REDACTED]: On the 10th.
15 [REDACTED]: -- August 10th. At 12:35
16 a.m.
17 [REDACTED]: Mm-hmm.
18 [REDACTED]: Now, if you -. Well, if he
19 was out of the SHU. Now, the day started off
20 with 77 inmates.
21 [REDACTED]: Mm-hmm.
22 [REDACTED]: And let's remember, don't
23 --
24 [REDACTED]: So, that should have been 74.
25 [REDACTED]: -- don't look at this.

1 [REDACTED]: Yeah.

2 [REDACTED]: Look at this.

3 [REDACTED]: Okay.

4 [REDACTED]: So, it should have been 74.

5 [REDACTED]: So, now, you understand that
6 it was 74 inmates.

7 [REDACTED]: Yes.

8 [REDACTED]: Is that count accurate for
9 4:00 p.m.?

10 [REDACTED]: No.

11 [REDACTED]: So, was the count
12 conducted?

13 [REDACTED]: No.

14 [REDACTED]: No?

15 [REDACTED]: No.

16 [REDACTED]: Sorry, I didn't hear what
17 you -. Did you say -?

18 [REDACTED]: No.

19 [REDACTED]: No. All right. So, do
20 you know now that the count was not conducted?

21 [REDACTED]: Yes.

22 [REDACTED]: Okay. Great.

23 [REDACTED]: Can you - same thing as
24 before - can you initial these documents to say
25 that these are the ones we showed you.

1 [REDACTED]: What's today's date again?
2 Seventh?
3 [REDACTED]: 8/5.
4 [REDACTED]: 8/5.
5 [REDACTED]: So, like you said, you
6 just took the number off the master list and
7 filled that in?
8 [REDACTED]: Yeah.
9 [REDACTED]: So.
10 [REDACTED]: Yeah.
11 [REDACTED]: And when you say master
12 list, I mean actually, you called it something
13 different.
14 [REDACTED]: The locator.
15 [REDACTED]: The inmate locator.
16 Okay.
17 [REDACTED]: This one, too.
18 [REDACTED]: So, does that refresh
19 your memory now, though --
20 [REDACTED]: Mm-hmm.
21 [REDACTED]: -- that they didn't
22 provide you a number, you just filled that in
23 off of that?
24 [REDACTED]: Mm-hmm.
25 [REDACTED]: Yes?

1 [REDACTED]: Yes.

2 [REDACTED]: Good. Thank you.

3 [REDACTED]: This is the memo. Could you
4 just initial and date this for me? Do you have
5 anything else on that?

6 [REDACTED]: No.

7 [REDACTED]: On that count. Sorry. This
8 is the 5:00 p.m. count. Just initial the -.
9 Initial and date the 5:00 p.m. count here.

10 [REDACTED]: 4:00 p.m.

11 [REDACTED]: I mean 4:00 p.m. I keep
12 reading the bottom.

13 [REDACTED]: It's all good.

14 [REDACTED]: Move on?

15 [REDACTED]: Yup.

16 [REDACTED]: All right. "[REDACTED] was asked
17 several questions about Epstein, and
18 specifically if guard [REDACTED] advised about
19 Epstein needing a cell mate, to which [REDACTED]
20 responded, 'No.'" Do you -?

21 [REDACTED]: Read that again.

22 [REDACTED]: "[REDACTED] was asked several
23 questions about Epstein, and specifically, if
24 guard [REDACTED] advised about Epstein needing a
25 cell mate, to which [REDACTED] responded, 'No.'"

1 [REDACTED]: Yeah. I didn't get that.
2 Okay. I thought you said I said that Epstein
3 didn't need --
4 [REDACTED]: No.
5 [REDACTED]: -- an inmate. Yeah. I'm,
6 like, nah, that -. I didn't have a -. I don't
7 remember having a conversation with [REDACTED]
8 about him telling me that Epstein needed a cell
9 mate or anything like that. No.
10 [REDACTED]: What -?
11 [REDACTED]: But he was supposed to have a
12 cell mate.
13 [REDACTED]: He was supposed to have a
14 cell mate?
15 [REDACTED]: He had a cell mate.
16 [REDACTED]: So, why was he supposed to
17 have a cell mate?
18 [REDACTED]: Well, no, I'm saying he had a
19 cell mate. It was the little, short dude.
20 That was his cell mate. I think his cell mate
21 got released that day.
22 [REDACTED]: How do you know the cell mate
23 got released that day?
24 [REDACTED]: Oh, just word of mouth,
25 because, like, I'm trying to remember what

1 happened because, like, because I remember,
2 when I put him in the cell, I was, like, where
3 the hell is your fucking cell mate at?

4 [REDACTED]: So, you actually -. When
5 you put Epstein back from the shower, you mean?

6 [REDACTED]: Yeah.

7 [REDACTED]: You asked him where his -
8 ?

9 [REDACTED]: I asked where, you know, where
10 is your cellie? Or whatever. So, he said,
11 like, he got released. So, I don't -. Like, I
12 don't know if he actually did get released or
13 not, or whatever, but that was the question,
14 like, but we don't have anybody else to put him
15 with. I don't remember who I spoke to that
16 night or whatever. But I asked that question,
17 like, there's no cell mate in there with this
18 guy.

19 [REDACTED]: So, you asked someone?

20 [REDACTED]: I asked someone, but who it
21 was, I don't remember who it was.

22 [REDACTED]: Would it have been a
23 lieutenant?

24 [REDACTED]: It would have been a
25 lieutenant. But my question -. But, like,

1 with that, he's supposed to have. But you
2 can't put him with anybody.

3 [REDACTED]: No, but you know --

4 [REDACTED]: So, some -.

5 [REDACTED]: -- you notified a
6 lieutenant?

7 [REDACTED]: Yeah. So, somebody has to
8 tell me who they want me to put in there with
9 him. Because if you tell me to put somebody in
10 there, and that person beats him up.

11 [REDACTED]: All right. So, if you
12 put him in at, you said, 9:30. Correct? Was
13 that when you're talking about?

14 [REDACTED]: Yeah. When I - yeah - after
15 the shower. After he had his little phone call
16 and I put him back or whatever. Yeah, I asked,
17 like, does anybody want me to put him in there
18 with -.

19 [REDACTED]: So, you're acting like
20 you're talking on the phone. So, did you get
21 on the phone with someone?

22 [REDACTED]: Yeah. I got on the phone with
23 someone, and I, like, who it was at that time,
24 I don't remember.

25 [REDACTED]: So, this, can you check the

1 schedule --
2 [REDACTED]: Mm-hmm.
3 [REDACTED]: -- schedule, to - on the
4 roster.
5 [REDACTED]: This is all --
6 [REDACTED]: And I'm talking about
7 what time --
8 [REDACTED]: (Indiscernible *00:55:12).
9 [REDACTED]: -- it would be, because I
10 mean, I think there's a shift change --
11 [REDACTED]: Yeah. There's a shift change
12 --
13 [REDACTED]: -- back then, at 10:00 --
14 [REDACTED]: -- and then --
15 [REDACTED]: -- 10:00 p.m. is when
16 there's that shift change.
17 [REDACTED]: The lieutenant shift changes.
18 I don't even know what time it was.
19 (Indiscernible *00:55:21)
20 [REDACTED]: They show it was two
21 hours prior to --
22 [REDACTED]: (Indiscernible *00:55:23).
23 [REDACTED]: -- to what the schedule
24 said back then. So, the Ops Lieutenant would
25 have been relieved at 10:00 p.m., and a new Ops

1 Lieutenant would have come back. So, if that
2 rings a bell.

3 [REDACTED]: Yeah.

4 [REDACTED]: I think it would have
5 been either --

6 [REDACTED]: Because I know --

7 [REDACTED]: -- it would have -.

8 [REDACTED]: -- well, I know this. I know
9 it wasn't --

10 [REDACTED]: Here.

11 [REDACTED]: -- I know I didn't speak to
12 Lieutenant [REDACTED].

13 [REDACTED]: All right. So, this is --

14 [REDACTED]: You know you didn't speak
15 to -. So, this would --

16 [REDACTED]: -- no, this is -.

17 [REDACTED]: -- this was the 10th.

18 So, [REDACTED] replaced [REDACTED]. So, it would
19 have been either - I'm assuming - it would have
20 been either [REDACTED] or [REDACTED]. Now, what --

21 [REDACTED]: So, it had to --

22 [REDACTED]: -- what I'm showing you
23 right now is the daily assignment roster for
24 Saturday, August 10th, where it says that
25 [REDACTED] was the morning watch --

1 [REDACTED]: Mm-hmm.

2 [REDACTED]: -- officer who would have
3 come in the night before, at 10:00 p.m., and
4 relieved [REDACTED].

5 [REDACTED]: Over here, actually, it
6 states, there's two possible lieutenants,
7 right? There's --

8 [REDACTED]: [REDACTED].

9 [REDACTED]: [REDACTED] was the acting --

10 [REDACTED]: -- who was that, until 10:00
11 p.m.?

12 [REDACTED]: -- Activities until 10:00
13 p.m.

14 [REDACTED]: Mm-hmm.

15 [REDACTED]: And then, there was [REDACTED].

16 [REDACTED]: [REDACTED].

17 [REDACTED]: That was there from --

18 [REDACTED]: Until midnight.

19 [REDACTED]: -- yeah, until midnight. So,
20 this conversation, when you went to Epstein's
21 cell, around what time do you think? You -
22 based on that memo - you took him out around
23 9:30.

24 [REDACTED]: Put him in --

25 [REDACTED]: Put him in.

1 [REDACTED]: -- at 9:30.

2 [REDACTED]: Put him. You took him out of
3 the --

4 [REDACTED]: Yeah, yeah, yeah.

5 [REDACTED]: -- the showers.

6 [REDACTED]: The showers.

7 [REDACTED]: And then, brought him over to
8 the cell.

9 [REDACTED]: Mm-hmm.

10 [REDACTED]: So, let's say 9:30 onwards,
11 who would you have (Indiscernible *00:56:29)?

12 [REDACTED]: Well, no, no, no. Let's
13 clarify that, though. Is it before the shower,
14 when he was brought back to the SHU, or was it
15 after the shower that you noticed that there
16 wasn't a --

17 [REDACTED]: After the shower.

18 [REDACTED]: -- so, it was definitely
19 after the shower, and after the phone call?

20 [REDACTED]: Yeah.

21 [REDACTED]: Okay. And that's when
22 you (Indiscernible *00:56:43) -.

23 [REDACTED]: And that's - and it's locking
24 time, so now, at that time, once you put him
25 back, there is no more movement.

1 [REDACTED]: Okay. So, you
2 specifically recall --
3 [REDACTED]: Asking.
4 [REDACTED]: -- and that you asked
5 someone?
6 [REDACTED]: I asked someone.
7 [REDACTED]: And do you recall that it
8 was a lieutenant?
9 [REDACTED]: Yeah. It had to be. Because
10 I called the lieutenant's office.
11 [REDACTED]: You called. So, you know
12 that you called the lieutenant's office and
13 said --
14 [REDACTED]: Mm-hmm. Like, yeah, this --
15 [REDACTED]: -- he doesn't have a cell
16 mate?
17 [REDACTED]: -- there's no cell mate here.
18 What do you want me to do? Or whatever. What
19 actually happened after that, I don't even
20 remember because I never even gave it a second
21 thought, after the fact.
22 [REDACTED]: All right. So, after you
23 called, though, do you remember how that person
24 responded?
25 [REDACTED]: Nah. I never even thought

1 about it again. I never thought about it again
2 until now. Now, I'm trying to rack my brain to
3 remember.

4 [REDACTED]: Do you remember if it was
5 a man or a woman?

6 [REDACTED]: I believe it was a man. But I
7 --

8 [REDACTED]: You believe it was a man.

9 [REDACTED]: -- I believe it was a man, but
10 I don't remember. I really don't.

11 [REDACTED]: Okay. Because if it was
12 a man, it would have had to been [REDACTED].

13 [REDACTED]: It would have been [REDACTED].

14 [REDACTED]: Right?

15 [REDACTED]: Yeah. It would have been
16 [REDACTED].

17 [REDACTED]: And you know it wasn't --

18 [REDACTED]: Because --

19 [REDACTED]: -- [REDACTED].

20 [REDACTED]: -- but I also know, too, that
21 when - if I'm working internally, and then,
22 like, I have to speak to a lieutenant,
23 sometimes the lieutenant is busy. I may pick
24 up the phone, and I'm not a lieutenant.

25 [REDACTED]: Okay. So, it doesn't

1 necessarily have to be a lieutenant in the
2 lieutenant's office.

3 [REDACTED]: Not all the time, because
4 things happen. Sometimes the lieutenant may
5 call you, hey, I need you to go to this unit,
6 do X, Y, and Z. Now they're on the phone or
7 whatever. Grab that phone for me real quick.
8 It happens, but you know, you just relay the
9 messages and what have you.

10 [REDACTED]: Okay. All right.

11 [REDACTED]: And you said that could be
12 the internal?

13 [REDACTED]: It could be. Is it? I don't
14 know. But I'm just saying, I know that I asked
15 that question. Who I did ask that question to,
16 I don't know at this time.

17 [REDACTED]: Okay.

18 [REDACTED]: I don't remember.

19 [REDACTED]: So, just walk us through
20 what questions you asked and what response were
21 you given.

22 [REDACTED]: Yeah. I know I said, hey,
23 this dude ain't got no cellee. I did say that.
24 This dude ain't got no cellee or whatever. And
25 after that, what actual response I got, I don't

1 know, because I was so busy that day, that I'm
2 just, like --

3 [REDACTED]: This would have been --

4 [REDACTED]: I got enough.

5 [REDACTED]: -- this would have been
6 at the very end of your shift?

7 [REDACTED]: This would have been at the
8 very end of my shift.

9 [REDACTED]: So, would it have been
10 before you went up and checked on him, at that
11 --

12 [REDACTED]: That would have been --

13 [REDACTED]: -- next round?

14 [REDACTED]: -- yeah, that would have been
15 --

16 [REDACTED]: Or after?

17 [REDACTED]: -- that would have been
18 before, and then, I checked on him again,
19 before I left. So, like, when I noticed it,
20 put him in, and I noticed that, made the phone
21 call. Then, before I leave, I check on him
22 again, and tell --

23 [REDACTED]: Okay.

24 [REDACTED]: -- hey, watch this guy.

25 [REDACTED]: Okay. Did you - after

1 you made the phone call, or when, first of all,
2 the phone call, do you remember the response
3 that you were given? When you said --

4 [REDACTED]: I don't know.

5 [REDACTED]: -- why doesn't this guy
6 have a cellmate? Did you --?

7 [REDACTED]: I don't remember.

8 [REDACTED]: Did they say that they
9 would look into it, that they would check on
10 it?

11 [REDACTED]: Probably, but I really don't
12 remember because I'm, like, after you get
13 frustrated, all right, I got this to do, I got
14 that to do, and then, you just --.

15 [REDACTED]: Okay. Did you notify
16 Noel and [REDACTED] that he doesn't have a cell
17 mate?

18 [REDACTED]: Well, they knew, but --

19 [REDACTED]: They knew he didn't have
20 a cellmate?

21 [REDACTED]: -- yeah, because they were up
22 there --

23 [REDACTED]: They know?

24 [REDACTED]: -- yeah.

25 [REDACTED]: And did they know that he

1 was required to have a cell mate?

2 [REDACTED]: Required. I don't know if
3 they knew that he was required to have a cell
4 mate. That, I don't know.

5 [REDACTED]: But everybody that comes
6 off -. He was in suicide watch, previously.
7 Correct?

8 [REDACTED]: Right.

9 [REDACTED]: And every inmate that
10 comes off of suicide watch --

11 [REDACTED]: Suicide watch. Should have a
12 cell mate.

13 [REDACTED]: So, based upon that, they
14 knew he was required to have a cell mate.
15 Correct?

16 [REDACTED]: Yeah, based off of that, they
17 would know.

18 [REDACTED]: Okay. And was that a
19 discussion that you had with anyone in there,
20 that day, about, hey, where is his cell mate?

21 [REDACTED]: I think we did ask that
22 question amongst ourselves, too, like, this
23 dude is supposed to have a cell mate. I think
24 we did.

25 [REDACTED]: Is this before or after?

1 After --

2 [REDACTED]: Shower?

3 [REDACTED]: -- yeah, after the shower.

4 That this conversation between you, [REDACTED] --

5 [REDACTED]: This was after the shower.

6 [REDACTED]: -- took place.

7 [REDACTED]: Well, after the shower is

8 when you called, but what you're saying is

9 that, at - or are you saying that, after the

10 shower, after the phone call --

11 [REDACTED]: Right.

12 [REDACTED]: -- so, not after the

13 shower, but after the phone call in the shower,

14 is that when you had the conversation with Noel

15 and [REDACTED]?

16 [REDACTED]: Yeah.

17 [REDACTED]: So, you think at that

18 point --

19 [REDACTED]: Because that's when I, like,

20 oh, shit, the dude ain't got no cell mate.

21 [REDACTED]: And you would have --

22 [REDACTED]: Sorry. Excuse my language.

23 [REDACTED]: -- and you would have

24 conversed, saying, like, hey, he doesn't have a

25 cell mate right now?

1 [REDACTED]: Yeah. So, that's definitely
2 the discussion that -. That would have
3 happened after I took him out of the shower and
4 put him in his cell, and realized there was no
5 cell mate in there. That would have been the
6 discussion afterwards.

7 [REDACTED]: And you do remember
8 talking with both [REDACTED] and Noel, saying he
9 doesn't have a cell mate?

10 [REDACTED]: Yup. Briefly, though. There
11 wasn't, like, a long, drawn-out -.

12 [REDACTED]: Sure. Do you remember
13 what their responses were?

14 [REDACTED]: I think it was just something,
15 like, yeah, we're just telling each other
16 what's going on. And continue business.

17 [REDACTED]: Was there anything talked
18 about, like, where is he?

19 [REDACTED]: Yeah, and that's when we found
20 out, like, this guy must be released or
21 whatever. So, there was a conversation about
22 that. But who actually said, oh, this dude got
23 released, or whatever, I don't remember.

24 [REDACTED]: Okay.

25 [REDACTED]: Everything was moving so fast.

1 And it was so long ago now.

2 [REDACTED]: Was there any
3 conversation about, like, hey, we need to
4 notify somebody to get him a cell mate?

5 [REDACTED]: Probably was, but I know I
6 made a phone call to someone, like, hey, what
7 do you want me to do with this guy? He ain't
8 got no cellee. I know I made a phone call to
9 someone. Who it was, at this point, I don't
10 remember.

11 [REDACTED]: And that -.

12 [REDACTED]: I wish they would have asked
13 me that question earlier because I probably
14 would have remembered then.

15 [REDACTED]: Right. So, and that's,
16 like, under oath, this is, like, if you were on
17 the stand, literally in front of a judge --

18 [REDACTED]: Mm-hmm.

19 [REDACTED]: -- you swear under oath
20 that you made a phone call and notified
21 someone?

22 [REDACTED]: I notified someone. Who it
23 was, I don't know.

24 [REDACTED]: Okay. So, if we checked
25 the, like, the lines and the recordings, we'll

1 be able to find --

2 [REDACTED]: You should be able to find
3 that, yes.

4 [REDACTED]: -- okay. And then,
5 again, that would be, like, a penalty and
6 perjury of law, like, you know --

7 [REDACTED]: Mm-hmm.

8 [REDACTED]: -- you could get - you
9 can literally get charged if you're lying to us
10 because we're federal agents and you're under
11 oath.

12 [REDACTED]: Mm-hmm.

13 [REDACTED]: So, you're positive about
14 that statement, that you called someone and
15 notified them around 9:30 at night?

16 [REDACTED]: I believe so. But if -.
17 Because I spoke to people about this. I know I
18 spoke to people about this.

19 [REDACTED]: So, yeah. Just remember,
20 any -. We're just going to shut up for a
21 second, and let you think about who did you
22 speak with and what conversations were had.
23 What was stated?

24 [REDACTED]: Mm-hmm.

25 [REDACTED]: From the beginning of

1 that day. So, here, I'm going to show you a
2 document, and this is - again - that
3 lieutenant's log, saying that, at 8:38 a.m.,
4 Reyes was pre-removed. And do you know that,
5 when you're pre-removed, that means you're
6 released from the MCC. Correct?

7 [REDACTED]: Mm-hmm.

8 [REDACTED]: Do you know that?

9 [REDACTED]: That, well, yeah. It's a -.
10 So, could I see that?

11 [REDACTED]: Yeah.

12 [REDACTED]: So.

13 [REDACTED]: And here is the 38 to go
14 along with that, and the daily log.

15 [REDACTED]: Okay.

16 [REDACTED]: Which shows that he was
17 pre-removed at 8:38.

18 [REDACTED]: A.m.

19 [REDACTED]: A.m.

20 [REDACTED]: Okay.

21 [REDACTED]: So, he left. He left the
22 SHU, I'm assuming, before then. That's when he
23 was keyed out.

24 [REDACTED]: Mm-hmm.

25 [REDACTED]: By R&D. Correct?

1 [REDACTED]: Mm-hmm.

2 [REDACTED]: And then, is there -.

3 Did we -? No, we didn't print out any of those
4 other documents. So, he was gone from the MCC
5 by 8:00, at least 8:30 a.m.

6 [REDACTED]: Okay.

7 [REDACTED]: So, you started at 2:00
8 p.m. What conversations can you remember that
9 you had, regarding Reyes being gone from the
10 institution?

11 [REDACTED]: I don't. I remember finding
12 out that Reyes was gone when I put Epstein back
13 in his cell. That's when I remember that he
14 was gone.

15 [REDACTED]: So, you -.

16 [REDACTED]: I mean, that's when I realized
17 that he was gone because I'm, like, there's
18 supposed to be two people in here

19 [REDACTED]: So, prior to that time,
20 you didn't know, at all, that Reyes was gone?

21 [REDACTED]: Yeah, because I'm thinking
22 about it to myself, as we walk -.

23 [REDACTED]: Sorry. He's giving me
24 documents to show you what happened to him.
25 So, this is from the Marshal Service. I don't

1 believe that you would have received this
2 email, but I'm just showing you.

3 [REDACTED]: Mm-hmm.

4 [REDACTED]: You can say if you
5 remember it. This is -. Did you ever see one
6 of these? This is a prisoner's schedule.

7 [REDACTED]: No.

8 [REDACTED]: The Marshal Service. So,
9 the Reyes right here, it shows that he was
10 gone, transferred within - per the judge - from
11 the MCC to GO. Do you know what GEO is?

12 [REDACTED]: I've heard that term before,
13 but -.

14 [REDACTED]: So, GEO is a --

15 [REDACTED]: Contract.

16 [REDACTED]: -- contract --

17 [REDACTED]: Yeah. (Indiscernible
18 *01:04:23).

19 [REDACTED]: -- which was going around
20 here.

21 [REDACTED]: Okay.

22 [REDACTED]: This would have been sent
23 to all these people in custody, from R&D, as
24 well as to all the lieutenants.

25 [REDACTED]: Okay.

1 [REDACTED]: So, based upon this, they
2 would have generated what's called, I think, a
3 call out list. Do you know that?

4 [REDACTED]: I know what a call out list
5 is. Yes.

6 [REDACTED]: And then, we're of the
7 understanding, based upon this information,
8 next to Reyes name would have been WAB. Do you
9 know what that means?

10 [REDACTED]: Yes.

11 [REDACTED]: What does that mean?

12 [REDACTED]: Like, I mean, offhand, I don't
13 know what the actual acronym means, but it does
14 mean that somebody is getting removed from the
15 building, whether they're being released, sent
16 to another institution, what have you.

17 [REDACTED]: All right. So, that
18 would have -. It means, "With All Belongings."
19 And it means that they take all their stuff
20 because they're leaving.

21 [REDACTED]: Mm-hmm.

22 [REDACTED]: Do you remember, that
23 date, seeing that call out list? Would that be
24 maintained in the SHU for the (Indiscernible
25 *01:05:06)?

1 [REDACTED]: I don't remember seeing that
2 call out list. I do not.

3 [REDACTED]: And in general, would the
4 call out list be maintained in the SHU, though?

5 [REDACTED]: No. The call out list is
6 basically before R&D leaves for the night.
7 They print out the call out sheets for the next
8 day, and over the course of the morning shift,
9 internal, when they give out the daily rosters,
10 will give out the call out sheets to every
11 unit.

12 [REDACTED]: Mm-hmm.

13 [REDACTED]: For the following day. For
14 the next morning.

15 [REDACTED]: And then, is that call
16 out list, though, like, for instance, the call
17 out list of the SHU, was that maintained in the
18 SHU at all, when they (Indiscernible
19 *01:05:34)?

20 [REDACTED]: Yeah. Once you have it in the
21 SHU or whatever, usually, they'll have it on
22 the desk with the rest of the paperwork. So,
23 you know what you're looking at. If you've got
24 to get somebody ready.

25 [REDACTED]: Okay. So --

1 [REDACTED]: Yeah.

2 [REDACTED]: -- so, is that something
3 that they keep in the SHU all day long?

4 [REDACTED]: Yeah. Once you receive it.
5 All for the morning shift, because usually,
6 morning shift, depending on your internal, you
7 might get that paperwork probably about 3:00 or
8 something. You know, after you - as you're
9 conducting counts. So, you conduct counts, and
10 they come through and they hand you your roster
11 for the day. The call out sheets, the separate
12 rosters.

13 [REDACTED]: And is that maintained,
14 though --

15 [REDACTED]: Yes.

16 [REDACTED]: -- throughout the day?
17 So, that, like --

18 [REDACTED]: It's supposed to be.

19 [REDACTED]: -- for instance -. Okay.
20 So, if somebody goes to court, you know, on
21 that list, it says this guy is court, it says
22 this guy is WAB, it says, you know, so that you
23 know where inmates are?

24 [REDACTED]: Well, R&D will have the -. It
25 will be a court roster for R&D. And it's

1 another -.

2 [REDACTED]: Wouldn't that all be
3 listed on the call --

4 [REDACTED]: Yeah.

5 [REDACTED]: -- list, though?

6 [REDACTED]: It would. Yeah, it would.

7 [REDACTED]: So, point being is if,
8 like, if you're doing counts at 4:00 p.m., you
9 have that call list to be able to say, oh,
10 shit, this guy is at court, he's not back yet.
11 I need to find out where he is. Is that what
12 happens?

13 [REDACTED]: Mm-hmm. Yeah. That's what's
14 supposed to happen. Yes.

15 [REDACTED]: So, the questions that
16 all of that was, do you remember seeing that
17 call out list on August 9, 2019?

18 [REDACTED]: I don't remember seeing it.

19 [REDACTED]: No?

20 [REDACTED]: No.

21 [REDACTED]: But would it have been
22 there?

23 [REDACTED]: It should have been there, but
24 I don't remember seeing it.

25 [REDACTED]: Okay.

1 [REDACTED]: Everybody waves differently.
2 So, I may put my paperwork on the clipboard.
3 Somebody else may like to have three stacks of
4 paper over here.

5 [REDACTED]: Okay. But what you're
6 saying is that you did know, on August 9th,
7 that Reyes was gone, and he was Epstein's cell
8 mate, and Epstein was without a cell mate. But
9 you're saying you didn't know it until 9:30
10 p.m.?

11 [REDACTED]: Yeah.

12 [REDACTED]: And at that point, you
13 did call someone, in the lieutenant's office?

14 [REDACTED]: Yeah.

15 [REDACTED]: So, you definitely know
16 it was the lieutenant's office --

17 [REDACTED]: I know.

18 [REDACTED]: -- that you called?

19 [REDACTED]: I called someone. So, like,
20 let me rephrase and put it like this. That I
21 noticed it. I had discussions with, you know,
22 (Indiscernible *01:07:29), I said something
23 about it to them, and I called someone. Who I
24 spoke to, I do not remember. But I know I
25 called someone. And it had to be somebody

1 higher than me. Because I can't make that
2 decision.

3 [REDACTED]: Sure. And you think it
4 was a man? You don't think it was [REDACTED]?

5 [REDACTED]: I think it was -

6 [REDACTED]: Or -?

7 [REDACTED]: -- I'm pretty sure it was a
8 male. I think it was a man. But being that it
9 was so long ago, I can't remember exactly what
10 I said on a brief phone call --

11 [REDACTED]: Sure.

12 [REDACTED]: -- you know --

13 [REDACTED]: I understand. Yeah. I
14 mean, we're -. Yeah --

15 [REDACTED]: -- I'm just being honest with
16 you.

17 [REDACTED]: -- we're two years later.
18 I got you.

19 [REDACTED]: You know?

20 [REDACTED]: And so -.

21 [REDACTED]: And honestly, I thought this
22 was over. So, I was, like --

23 [REDACTED]: Right. Yeah. No. This
24 is where -. That's why we're back, coming back
25 to people to try to, like -. Part of the

1 reason why we're reading this to you is to,
2 one) make sure that you --

3 [REDACTED]: That it's accurate.

4 [REDACTED]: -- it's accurate, but
5 also to refresh your memory. This is what you
6 stated to these people, is that accurate, and -
7 again - to fill in some of these blanks. Now,
8 we have a memo that was drafted on August 12th,
9 2019. Let's see if it was - it says United
10 States government, Federal Bureau of Prisons
11 memo. And it says, past information from
12 Special Housing Unit. It says, "On Friday,
13 August 9th, 2019, at approximately 1:50 p.m.,
14 I, SOS [REDACTED], passed on to oncoming staff
15 member, Officer [REDACTED], and present staff, SOS
16 [REDACTED] and Officer [REDACTED], that inmate Reyes
17 was going WAB, and possibly may return, also
18 that inmate Epstein will be needing a cell mate
19 upon arrival from his attorney visit." Do you
20 know if -?

21 [REDACTED]: I don't remember having that
22 conversation with [REDACTED].

23 [REDACTED]: Do you remember that that
24 conversation had, or do you believe that he's
25 lying to us? If he swore under oath that he

1 definitely passed that information onto you --

2 [REDACTED]: You got a --

3 [REDACTED]: -- and he's got this
4 memo.

5 [REDACTED]: Mm-hmm.

6 [REDACTED]: That he also did. Do you
7 believe he's lying about it?

8 [REDACTED]: If he did, you might want to
9 ask [REDACTED] about that one because I do not
10 recall him speaking to me about this one.

11 [REDACTED]: Okay.

12 [REDACTED]: I don't necessarily want to
13 call anyone a liar, per se, but I don't
14 remember him speaking to me about this. So,
15 maybe he spoke to [REDACTED], and maybe I was
16 standing there, and he thought I heard him.

17 [REDACTED]: Okay.

18 [REDACTED]: But that's my assumption, but
19 I do not remember having this conversation with
20 him at all.

21 [REDACTED]: All right. So, if he's
22 saying, you know, [REDACTED] was standing there, I
23 relayed the information specifically to [REDACTED],
24 saying, hey, what you call, it's WAB, Epstein
25 is going to need a new cell mate. You do not

1 recall that conversation?

2 [REDACTED]: I don't recall that
3 conversation.

4 [REDACTED]: Now, what is your opinion
5 of the fact that, if an inmate is WAB, that
6 means that he's not coming home --

7 [REDACTED]: Yeah.

8 [REDACTED]: -- right? What is your
9 opinion of the fact that he said, possibly may
10 not return? Why would he say - if someone is
11 WAB - why would he say possibly may not return?

12 [REDACTED]: I don't know.

13 [REDACTED]: Because your
14 understanding was, if someone was WAB --

15 [REDACTED]: If it was WAB --

16 [REDACTED]: -- you're not --.

17 [REDACTED]: -- he's supposed to be gone.

18 [REDACTED]: He was gone. Correct?

19 [REDACTED]: But - okay, so, with that --

20 [REDACTED]: So, if --.

21 [REDACTED]: -- if he says possibly may
22 return or whatever, because this has happened,
23 usually, I've seen it before with other
24 inmates. You see somebody that says if they're
25 WAB, they're supposed to leave this date, their

1 stuff is packed up or whatever, and then,
2 something happens, and then, they can't go -.
3 They can't leave. Like, but that's usually if
4 they're going to another institution or
5 something. Now, if this dude actually got
6 released or whatever, I don't see why - any
7 reason. Unless the judge put a hold on him.

8 [REDACTED]: Well, he didn't get
9 released. Like I showed you. He got
10 transferred.

11 [REDACTED]: Yeah. So, yeah. So, I don't
12 see, you know, like, unless the judge
13 miraculously put a hold on you or something
14 like that, I don't know why he said possibly.

15 [REDACTED]: So, I guess my question
16 on that would be, then, if he's at least by
17 8:38 a.m., WAB, gone from the SHU, should
18 someone have --

19 [REDACTED]: Yes.

20 [REDACTED]: -- replaced him
21 beforehand?

22 [REDACTED]: Yes. Replaced him and, yeah,
23 somebody should have -. Like, because during
24 the day shift or whatever, this dude leaves, he
25 goes to WAB or whatever, and you know that it's

1 Epstein is in the cell, because I'm assuming
2 with how it happened, I'm assuming he goes WAB,
3 Epstein goes to a legal visit, now your day is
4 going on and everything like that. And it's
5 just escaped everybody.

6 [REDACTED]: Mm-hmm.

7 [REDACTED]: That's what I'm thinking
8 happened. But yeah, he should have been
9 replaced during that shift.

10 [REDACTED]: Mm-hmm.

11 [REDACTED]: But if you don't have the
12 numbers, that's another question, that I'll
13 ask. If you don't have the numbers in the SHU,
14 if you have, like, an odd number, and you can't
15 put anybody with him. What are you going to
16 do?

17 [REDACTED]: Or are you aware that
18 Epstein's cell mates were all vetted at the
19 highest level?

20 [REDACTED]: No.

21 [REDACTED]: So, in your opinion, if
22 you knew that Epstein was required to have a
23 cell mate, could have you just placed a cell
24 mate with him?

25 [REDACTED]: No. I don't have that

1 authority to do that. Because if I was to --

2 [REDACTED]: So, who has the
3 authority?

4 [REDACTED]: -- if I was to make that
5 decision, and something happened to him, now
6 I'm screwed.

7 [REDACTED]: So, who should have
8 placed him with a cell mate? That's place
9 Epstein with a new cell mate.

10 [REDACTED]: It would have been one of us
11 to probably put the inmate in that cell. But
12 that determination would either come from the
13 operations lieutenant, the SHU lieutenant, or
14 the captain.

15 [REDACTED]: Okay.

16 [REDACTED]: Or anybody above that.

17 [REDACTED]: Sure.

18 [REDACTED]: But that's where the decision
19 would come from. They'll probably just tell
20 me, like, hey, execute.

21 [REDACTED]: So, in your opinion,
22 based upon the information that we have, with
23 him going WAB, should the activities, ops, or a
24 captain have been notified, and those people
25 should have ensured that Epstein was -?

1 [REDACTED]: Yes. Because if - like, all
2 right, after all the stuff that we've seen here
3 - if I was to, like, let's just say I was to
4 put somebody in that cell, and something
5 happened. Now I made the wrong decision, and
6 then, the next question is going to be, well,
7 why didn't you ask questions?

8 [REDACTED]: Mm-hmm.

9 [REDACTED]: So, I would not put somebody
10 in there without somebody giving me the green
11 light to do so.

12 [REDACTED]: Now, if - was [REDACTED]
13 the OIC back then?

14 [REDACTED]: I think so.

15 [REDACTED]: All right. So --

16 [REDACTED]: For the day shift.

17 [REDACTED]: -- so, [REDACTED] is the
18 OIC. If him, the activities lieutenant, and
19 the ops lieutenant, all for that day shift are
20 saying, well, we didn't know if Reyes was going
21 to come back or not, so we thought it was
22 premature to place a new cell mate in there
23 with him. Is that a legit excuse, do you
24 think, or a reason, if the person is listed
25 with WAB next to their name?

1 [REDACTED]: Depending on how they looking
2 at it, like, because - like I said before - if
3 he's WAB and, like, maybe the bus got cancelled
4 or whatever, and then, somebody would have to
5 come back. If you're thinking about it that
6 way, then yes. But if he was gone at 8:00
7 something in the morning, then he ain't never
8 coming back.

9 [REDACTED]: At 2:00 p.m., he's still
10 not back, wouldn't they know by then if that
11 was --

12 [REDACTED]: That's what I --

13 [REDACTED]: -- truly WAB?

14 [REDACTED]: -- that's what I would think.

15 [REDACTED]: Okay. But you do not
16 recall him specifically saying that to you?

17 [REDACTED]: Hmm-mm.

18 [REDACTED]: So, you believe, the
19 first time that you - you did know, on August
20 9th - but you believe the first time that you
21 knew was at 9:30 p.m.

22 [REDACTED]: That's the first time I think
23 I knew, because it was too much running around.
24 I don't not remember this conversation at all.

25 [REDACTED]: Okay. And that's

1 because, once you got there, you were just
2 running?

3 [REDACTED]: I was running, hopping and
4 popping the whole time.

5 [REDACTED]: Okay.

6 [REDACTED]: Pretty much. I'm sweating.
7 Everything.

8 [REDACTED]: Okay.

9 [REDACTED]: But we were all tired that
10 day.

11 [REDACTED]: Okay.

12 [REDACTED]: I know you didn't know until
13 9:30 p.m. When do you think would have been
14 the first time you should have caught up to the
15 fact that Reyes was not there?

16 [REDACTED]: I was doing rounds, because in
17 my mind, because I'm thinking about it, like,
18 like how Epstein is the priority. So, if I'm
19 working out ranges, and I'm talking to inmates
20 here and there, and I had two other inmates on
21 that tier where Epstein was, that wanted to
22 play the suicide game, you know, as I walked
23 through there, or whatever, I know this is
24 Epstein's cell. I know Epstein is not here.
25 Even when you look in there, you just keep

1 going. And then, you know, you just keep going
2 or whatever. So, like, it should have dawned
3 on me then, but I'm thinking about this guy
4 over here, that may have, you know, that had
5 the noose around him, and he wants to play that
6 game. And then, you got another inmate on
7 another tier, doing some other crazy nonsense.
8 There was just a lot of moving pieces that day.
9 So, even in my movement around or whatever,
10 like, it missed - it escaped it - it missed me.

11 [REDACTED]: Yeah. And that was what
12 I was going to go to, after that, is the fact
13 that, would this have been the only - this
14 mandatory rounds must be conducted every 30
15 minutes on Epstein, as per God - would that
16 have been the only orange card that was up
17 there? Saying to make sure that Epstein is your
18 priority in the SHU right now?

19 [REDACTED]: It shouldn't have been. Like,
20 I don't remember if there was anything on his
21 door, or anything like that, or whatever. But
22 I remember that. That, you know, that was per
23 God, obviously, that's a joke.

24 [REDACTED]: Yeah, yeah, yeah.

25 [REDACTED]: But I do remember, it was

1 something else on a wall, at some point in
2 time, about, like, yeah, make sure you watch
3 this guy. So, I don't remember if it was a
4 memo or something, but it was something else.
5 But I definitely remember that one. If I'm not
6 mistaken, there was more than one copy of that
7 thing.

8 [REDACTED]: Okay. So, but what I'm
9 asking, was there anybody, any other inmate
10 names, such as this, or was inmate your
11 priority when you were in the SHU?

12 [REDACTED]: No. No. I don't remember any
13 of the inmates' name. I just remember that.

14 [REDACTED]: So, this is the one guy
15 that's up on the desk, on the officer's
16 station, saying, making sure you're checking on
17 him --

18 [REDACTED]: Mm-hmm.

19 [REDACTED]: -- on Epstein. So, that
20 was what I was going to get at. If these
21 rounds were actually conducted on L-tier,
22 through that whole time, that that cell is
23 empty --

24 [REDACTED]: Mm-hmm.

25 [REDACTED]: -- how did people not

1 notice Epstein's cell mate is gone?

2 [REDACTED]: Right. And now, this right
3 here --

4 [REDACTED]: And I'm not talking about
5 just your watch. So, night watch --

6 [REDACTED]: Yeah.

7 [REDACTED]: -- as well as day watch.

8 [REDACTED]: Yeah. So, day watch, oh, no,
9 this is morning watch. So, okay.

10 [REDACTED]: Yeah. This is day watch.

11 [REDACTED]: Yeah. So, day watch. Like,
12 obviously, through here, they got rid of him.
13 And, like, that, there should have been
14 something done there.

15 [REDACTED]: Yeah. I mean, he's
16 claiming, he's the guy who was apparently, you
17 know, [REDACTED] is apparently signing this, I
18 believe, for all these. He's claiming, yeah, I
19 passed on the information, he's gone, he's
20 going to need a new cell mate, if he, in fact,
21 doesn't come back.

22 [REDACTED]: Mm-hmm.

23 [REDACTED]: So, all right, he's
24 swearing under oath that, and he wrote a memo,
25 as well. And he swore a couple times to that.

1 As far as --

2 [REDACTED]: Okay. So, now I got to write
3 a memo, right?

4 [REDACTED]: -- so, well, that's what
5 - you don't have to write a memo, we're talking
6 to you. So, as far as this goes, the question
7 would be: how are anybody that's working - so,
8 it's you --

9 [REDACTED]: [REDACTED].

10 [REDACTED]: -- did [REDACTED] start
11 then?

12 [REDACTED]: I think [REDACTED] comes in at
13 4:00.

14 [REDACTED]: So, it's at -. Okay. So
15 --

16 [REDACTED]: He's already here.

17 [REDACTED]: -- you four --

18 [REDACTED]: He's on (Indiscernible
19 *01:17:22).

20 [REDACTED]: -- it said four. It's
21 you, [REDACTED], and Noel.

22 [REDACTED]: Mm-hmm.

23 [REDACTED]: How was it not noticed -
24 if these rounds on this round sheet were
25 conducted - how was it not noticed, even prior

1 to 9:30, if you're saying you noticed at 9:30,
2 that that cell was empty? If this guy is your
3 number one priority.

4 [REDACTED]: Because I was looking for
5 Epstein. Yeah, I was just, like, my mind, and
6 on that specific cell, it was him.

7 [REDACTED]: Right.

8 [REDACTED]: And I knew he was at a legal
9 visit.

10 [REDACTED]: Yeah, yeah. So, and I
11 get it, that you said you did a round on
12 Epstein when he came back. But if rounds are
13 being conducted in entire SHU --

14 [REDACTED]: Mm-hmm.

15 [REDACTED]: -- wouldn't people
16 notice, hey, it's claiming that one, two,
17 three, four, you know, however many there are
18 there, throughout the day, you're going down
19 everything, how did someone not notice that
20 cell was empty?

21 [REDACTED]: Hmm. And you're absolutely
22 right. Now -.

23 [REDACTED]: So, the point being is,
24 does that mean that these rounds weren't
25 conducted?

1 [REDACTED]: I'm not going to say that
2 because I know those people went down, down
3 range, you know, but what I'm going to say is,
4 like, if that dude was gone, and you know, the
5 number one priority is Epstein, and you're just
6 doing rounds because you know that you're going
7 to have to count anyway.

8 [REDACTED]: Yeah, yeah.

9 [REDACTED]: You know what I'm saying? So,
10 when you go through on the count, that's when
11 you will catch that.

12 [REDACTED]: So, yeah. In this case,
13 the 4:00 p.m. --

14 [REDACTED]: Exactly.

15 [REDACTED]: -- count wasn't
16 conducted?

17 [REDACTED]: Exactly.

18 [REDACTED]: So, the 4:00 p.m. count
19 wasn't conducted. And then --

20 [REDACTED]: Yeah.

21 [REDACTED]: -- you have reason to
22 believe the 10:00 p.m. count wasn't conducted,
23 either. Nor the 12:00 p.m. Nor the 3:00 a.m.
24 And not the 5:00 a.m. So, none of those counts
25 were conducted.

1 [REDACTED]: I wasn't here for those.

2 [REDACTED]: That's a - yeah, I know,
3 you left before 10:00 p.m. - so, that's when
4 you would believe it would have been caught, is
5 during the counts, not the rounds?

6 [REDACTED]: I believe it would have been
7 caught more so during the counts, and with the
8 rounds, you can catch it, but with a million
9 things going on, it's a little bit harder.

10 [REDACTED]: I gotcha.

11 [REDACTED]: You know, [REDACTED] --

12 [REDACTED]: So, the counts, the more
13 official thing, where there's two inmates where
14 you're actually counting inmates. So, the fact
15 that the 4:00 p.m. count wasn't conducted,
16 that's why you believe you didn't actually
17 catch it until 9:30?

18 [REDACTED]: Yeah.

19 [REDACTED]: Okay.

20 [REDACTED]: That's why I believe I didn't
21 catch it.

22 [REDACTED]: All right. But you did
23 catch it at 9:30 --

24 [REDACTED]: Yeah. I did catch it.

25 [REDACTED]: -- and you do believe you

1 notified someone?

2 [REDACTED]: Yes.

3 [REDACTED]: And you do believe you
4 told both [REDACTED] and Noel?

5 [REDACTED]: Yeah. Yes.

6 [REDACTED]: Yes. And are you
7 confident of both those things? Can you state
8 under penalty and perjury of law, I told
9 [REDACTED] and Noel, he did not have a cell mate?

10 [REDACTED]: Yes.

11 [REDACTED]: What about, are you
12 confident under penalty and perjury of law, I
13 called the lieutenant's office and notified
14 them that Epstein did not have a cell mate?

15 [REDACTED]: I'm confident that I called,
16 but who was on the other end of that phone --

17 [REDACTED]: Right.

18 [REDACTED]: -- is my issue.

19 [REDACTED]: Right. And what I'm
20 saying is, are you confident you called the
21 lieutenant's office, though?

22 [REDACTED]: No, I can't say I'm confident
23 I called the lieutenant, but I want to say yes,
24 because that's normally what I would do.

25 [REDACTED]: Right. So, who - if you

1 didn't call the lieutenant's office - who would
2 it be that you would have called?

3 [REDACTED]: It might have been a unit
4 manager, or somebody. If anybody was still in
5 the building at the time. But I called
6 somebody. I spoke to someone, higher than me,
7 that could make a decision about this
8 situation.

9 [REDACTED]: All right. So, that was
10 going to be my next question. Are you sure,
11 not only did you call, but you actually spoke
12 with someone?

13 [REDACTED]: Yes. I spoke with someone.
14 Who it was, at this point, I don't remember.

15 [REDACTED]: Okay. So, someone. You
16 did make that notification, and you're saying
17 someone else (Indiscernible *01:20:44).

18 [REDACTED]: I made that notification, yes.

19 [REDACTED]: And you did - and you're
20 positive you informed [REDACTED] and Noel?

21 [REDACTED]: Yeah. Because we were all
22 talking. Like, it was, like, yeah. This dude
23 is (Indiscernible *01:20:54). Like, it was a
24 conversation. A brief conversation, but a
25 conversation nonetheless.

1 [REDACTED]: And you had the three of
2 you had it?

3 [REDACTED]: Yeah. Like, it was, like, you
4 know, I said something, he said something, she
5 said something. And then, it's back to
6 business because it doesn't stop just because -
7 . You've got to kind of figure things out, as
8 you move. So -.

9 [REDACTED]: Okay. What do you got on
10 that?

11 [REDACTED]: When we initially asked you
12 the question about Epstein and his cell mate,
13 you said that Epstein must have a cell mate.
14 Right? To that effect. You knew that Epstein
15 needed a cell mate.

16 [REDACTED]: Hmm, and I knew, and when I
17 said that, I mean, I knew that he had one
18 before. I knew he had one before. Because
19 that's why I was, like, oh, like, where did
20 this guy go?

21 [REDACTED]: Other than the fact that he
22 came off psych observation, was there any other
23 reason why you felt that Epstein needed a cell
24 mate?

25 [REDACTED]: Personally?

1 [REDACTED]: Did anyone instruct you? Any
2 instructions come down?

3 [REDACTED]: The instructions started
4 coming down about him needing a cell mate after
5 his first so-called suicide attempt or
6 whatever, and that's when they started picking,
7 and that's when, you know, like, how - well,
8 what's the other guy's name, Tartaglione? And
9 that's why we, as officers, can't determine who
10 we're going to put in there with this guy. You
11 know, like, because if I -. Like, let's say I
12 ought to put somebody else in there with him or
13 whatever, and because Epstein is saying that
14 Tartaglione attacked him, and this, and that,
15 and the third. That would fall on me. You
16 know, you want a supervisor to make that
17 determination.

18 [REDACTED]: So, let's talk about --

19 [REDACTED]: So -.

20 [REDACTED]: -- that. Were you there for
21 that incident, when that happened, the first
22 attempt of suicide?

23 [REDACTED]: I wasn't there for that, no.

24 [REDACTED]: Do you know what happened
25 between Epstein and Tartaglione?

1 [REDACTED]: Only from what I heard. I
2 don't know.

3 [REDACTED]: Have you heard that, if
4 Tartaglione attacked Epstein, did he try to
5 kill him, or did Epstein try to hang himself?

6 [REDACTED]: I heard that Epstein tried to
7 hang himself and that, you know, he blamed
8 Tartaglione.

9 [REDACTED]: Okay. Now, you said from
10 that point onwards, instructions started coming
11 down. From who?

12 [REDACTED]: The instructions started
13 coming down from the SHU lieutenant. I know
14 Lieutenant [REDACTED] would come in. He would -.

15 [REDACTED]: So, who is the SHU
16 lieutenant?

17 [REDACTED]: Now?

18 [REDACTED]: No, no. At that point.

19 [REDACTED]: At that point in time, I think
20 it was still Lieutenant [REDACTED].

21 [REDACTED]: Was it [REDACTED]?

22 [REDACTED]: Was it Lieutenant [REDACTED]?

23 [REDACTED]: [REDACTED] was in there, too. Mm-
24 hmm. [REDACTED] - yeah - [REDACTED] was. I think [REDACTED] was
25 SHU Lieutenant at that time. In fact, I can

1 find out right now.

2 [REDACTED]: He was not working on -?

3 [REDACTED]: He was not working that night,
4 though.

5 [REDACTED]: No. He was off that day?

6 [REDACTED]: Mm-hmm. Yeah. Let's see. So
7 -.

8 [REDACTED]: So, it came from Lieutenant
9 [REDACTED]. You think it came from Lieutenant [REDACTED],
10 also?

11 [REDACTED]: Yeah. Because I, like, I
12 didn't speak to [REDACTED] recently during that
13 timeframe, I don't believe. I think, like,
14 because I think it was, like, I know one time
15 ,specifically, Lieutenant [REDACTED] was, like, by -
16 he specifically said - boss's do, not that
17 night, though. But, you know, he specifically,
18 like, that's one of the first people that was,
19 like, was adamant about keep an eye on this
20 guy. This is why we put him in this cell.

21 [REDACTED]: Well, what about the cell
22 mate requirement?

23 [REDACTED]: The cell mate requirement
24 thing. That was something that it was
25 conversations amongst other SHU crew members

1 from day, evening, morning shift, or whatever.

2 Like --

3 [REDACTED]: Yeah.

4 [REDACTED]: -- we knew we couldn't just
5 make a decision. So, that was a thing, like,
6 everybody was, like, yo, call the lieutenants,
7 like, make --

8 [REDACTED]: Mm-hmm.

9 [REDACTED]: -- like, have them tell you
10 who to put in there with this person.

11 [REDACTED]: When was this conversation?

12 [REDACTED]: This is over the course of
13 time. You know, a couple days. Because we,
14 like, people get - people leave this
15 institution, and people come back in. So,
16 usually, you never really know. So, this is,
17 like, you know, days leading, you know, days
18 leading up to this or whatever. We just, like,
19 idle conversations, that, amongst staff, that
20 we have had.

21 [REDACTED]: That Epstein needed a
22 cellmate at all times.

23 [REDACTED]: Yeah. And then, like, you
24 know, like, because I believe, at one point in
25 time, he had a cell mate, somebody left, and

1 then, they -. We had to find a cell mate for
2 him real quick. But like I said, like, this is
3 - it's bits and pieces here.

4 [REDACTED]: Which SHU staff do you recall
5 having that conversation with?

6 [REDACTED]: Pfft. Usually, those are the
7 little quick conversations you have during
8 shift change. So, this is, like, hi, bye,
9 blah, blah, blah, blah, blah.

10 [REDACTED]: But you don't recall if it
11 happened?

12 [REDACTED]: Yeah. I don't recall it.

13 [REDACTED]: I have a question. That
14 [REDACTED] memo. So, you said you've relived
15 [REDACTED]. Do you recall relieving [REDACTED] at
16 what time?

17 [REDACTED]: (Indiscernible
18 *01:24:59).

19 [REDACTED]: Hmm. 2:00. Yeah.

20 [REDACTED]: At 2:00?

21 [REDACTED]: Yeah. 2:00. Maybe a little -
22 .

23 [REDACTED]: Do you recall if he left the
24 institution?

25 [REDACTED]: I don't know.

1 [REDACTED]: But he was no longer in the
2 SHU, at that point?

3 [REDACTED]: But yeah, after I relieved
4 him, I think he -. I don't know if he went
5 home, or if he went somewhere else. I don't
6 know.

7 [REDACTED]: Okay. Does that sound right?

8 [REDACTED]: Yeah. So, what you want
9 to say is, this --

10 [REDACTED]: Last page.

11 [REDACTED]: -- so, this --

12 [REDACTED]: Last page.

13 [REDACTED]: No, no. Not that one. It's
14 the other one. Not this one. I need the other
15 one.

16 [REDACTED]: Yeah. The email.

17 [REDACTED]: The email.

18 [REDACTED]: So, this email from
19 [REDACTED] to [REDACTED], who was the ops lieutenant
20 at the time, was sent at 6:07 p.m., where he
21 wrote this - you wrote that, the shot, where
22 everyone would call it the --

23 [REDACTED]: So, look at the date on top.
24 At the time.

25 [REDACTED]: -- so, it appears that

1 [REDACTED] was still in the institution at 6:00
2 p.m. We're trying to figure out why. What
3 would he have been doing in there? Would he -?
4 [REDACTED]: I don't know.
5 [REDACTED]: No? And he's not listed
6 on that daily roster. Correct? It's signed
7 from -.
8 [REDACTED]: That's the 10th. Look at the
9 9th.
10 [REDACTED]: After he left. Can you
11 find his name on there?
12 [REDACTED]: It's -.
13 [REDACTED]: What's the schedule show him
14 leaving at?
15 [REDACTED]: 2:00. We saw him leaving at
16 2:00 because I'm his relief.
17 [REDACTED]: And you know he was not
18 in the SHU. Correct?
19 [REDACTED]: Right.
20 [REDACTED]: Do you guys have access to
21 BOP -?
22 [REDACTED]: Let him look first.
23 [REDACTED]: Okay.
24 [REDACTED]: I don't know. And what was
25 your question again?

1 [REDACTED]: Do you have access to BOP
2 email outside of work?

3 [REDACTED]: No.

4 [REDACTED]: The only way to send an email
5 is from where?

6 [REDACTED]: I could send an email to a BOP
7 address.

8 [REDACTED]: No, no. From your BOP email
9 to another BOP. Like, let's say he was sending
10 an email to [REDACTED], right? Could he have done
11 it from outside the institution? Or does he
12 have to be inside the MCC to get that?

13 [REDACTED]: Like, say it one more time.

14 [REDACTED]: So, in order for him to send
15 this email --

16 [REDACTED]: Yes, in order for [REDACTED] to
17 send an email to --

18 [REDACTED]: This email.

19 [REDACTED]: -- [REDACTED].

20 [REDACTED]: This email.

21 [REDACTED]: Mm-hmm.

22 [REDACTED]: In order for him to send this
23 email, can he do it outside of the MCC, or does
24 he have to be inside the MCC to send it?

25 [REDACTED]: Oh, no. You can send an email

1 to a BOP email, outside of the MCC.

2 [REDACTED]: But what he's saying is,
3 would he have access to his BOP email outside
4 of the MCC? Would he have been able to send it
5 --

6 [REDACTED]: Oh, would --

7 [REDACTED]: -- yeah.

8 [REDACTED]: -- would [REDACTED] has access
9 to -. Oh. Not to my knowledge. I don't know
10 how to do that.

11 [REDACTED]: Okay. Yeah, no. And we
12 already know that.

13 [REDACTED]: And you didn't see him all
14 day? After he had left.

15 [REDACTED]: Hmm-mm.

16 [REDACTED]: And you relieved him. You
17 didn't see him in the SHU?

18 [REDACTED]: No.

19 [REDACTED]: He never came back?

20 [REDACTED]: Hmm-mm.

21 [REDACTED]: Okay. So, we have all these
22 documents that we showed you. Just initial
23 them, please.

24 [REDACTED]: Okay. Hmm. And this. This
25 one, too, or no?

1 ██████████: Yes. Anything we showed you.
2 ██████████: Okay.
3 ██████████: Just down there.
4 ██████████: What is this one?
5 ██████████: This is the one -.
6 ██████████: Okay.
7 ██████████: Schedule report. That's the
8 one that shows that inmate Reyes, he had left.
9 ██████████: Gotcha.
10 ██████████: And you'll notice, he was
11 transferred within, and he went from MCC --
12 ██████████: To GEO.
13 ██████████: -- to GEO.
14 ██████████: Thank you, sir.
15 ██████████: And we probably covered this,
16 but just want to ask one more time. If that
17 4:00 p.m. count was done, would it have been
18 caught that Reyes was not in the institution,
19 and Epstein needed a cell mate?
20 ██████████: There would have -. It would
21 have been caught that, you know, that he wasn't
22 in the institution, but, like, when you count,
23 even though you're looking at living, breathing
24 bodies, you know, sometimes you'll be, like, I
25 don't remember everybody's name. Sometimes I'm

1 talking to inmates and I'm, like, hey, you.
2 So, I probably wouldn't even notice it was
3 Reyes. You know?
4 [REDACTED]: But would you --
5 [REDACTED]: But if you --
6 [REDACTED]: -- you would have noticed
7 that there was no one in the cell, is what
8 we're saying.
9 [REDACTED]: Right.
10 [REDACTED]: Now, we asked you about, have
11 you ever pre-filled --
12 [REDACTED]: Mm-hmm.
13 [REDACTED]: -- round sheets --
14 [REDACTED]: Mm-hmm.
15 [REDACTED]: -- or count sheets. You said
16 yes to the count sheets. Right?
17 [REDACTED]: Mm-hmm.
18 [REDACTED]: Do you recall ever pre-
19 filling round sheets at all?
20 [REDACTED]: I don't recall pre-filling
21 round sheets. I remember being taught about
22 it, at one point in time.
23 [REDACTED]: Taught about it by who?
24 [REDACTED]: That was when I was a daisy
25 fresh rookie.

1 [REDACTED]: Okay.

2 [REDACTED]: So, I knew that that was
3 something that was done.

4 [REDACTED]: The pre-filling?

5 [REDACTED]: Yeah.

6 [REDACTED]: By who?

7 [REDACTED]: I want to say it was Clark,
8 but I was a rookie back then. I was --

9 [REDACTED]: By who?

10 [REDACTED]: -- (Indiscernible *01:30:15),
11 though. Clark, but that was -. I was a rookie
12 by then.

13 [REDACTED]: Who is Clark?

14 [REDACTED]: He don't work here no more.

15 [REDACTED]: Do you recall his first name?

16 [REDACTED]: No.

17 [REDACTED]: Okay. Do you recall hearing
18 or seeing anybody else pre-fill round sheets or
19 count sheets?

20 [REDACTED]: Yeah. You hear about it, but
21 -.

22 [REDACTED]: Like, who?

23 [REDACTED]: You know what I'm saying,
24 like, I've heard about it from multiple people.
25 Names and dates of when they did it. Like, I

1 don't know.

2 [REDACTED]: I don't need - who have you
3 heard about? - I don't need dates or anything,
4 but who have you heard about pre-filling the
5 rounds and counts sheets?

6 [REDACTED]: You know, some of the old
7 school staff, like, you know, like, when, like,
8 but these people don't even work here anymore.
9 You know, like, I mean, I don't know these
10 people. They don't work here anymore. They,
11 you know, like, they had a whole SHU crew.
12 Like, there was a whole system of things that -
13 they had it on lock. That was just how it
14 worked.

15 [REDACTED]: So, you said SHU --

16 [REDACTED]: So, I remember, as a rookie, I
17 would go in there. And then, you know, they
18 teach you things or whatever, and then, you
19 know, like, I guess they've been working so
20 long, you know, they know the short cuts that
21 they do. So, I remember learning about it then
22 or whatever. And then, I even got taught at
23 one point, or whatever. I'm, like, okay. But
24 I wasn't working up there then.

25 [REDACTED]: So, the names. I know you

1 mentioned the SHU crew. So, the names. What
2 are the names?

3 [REDACTED]: From all these -. From back
4 then or whatever, it was a whole slew of
5 people.

6 [REDACTED]: Which is fine. Any names you
7 recall. Because you said you learned it from
8 people, right?

9 [REDACTED]: Yeah.

10 [REDACTED]: And so -.

11 [REDACTED]: So, like, as me learning,
12 like, well, now, I know when I started,
13 [REDACTED] was up there. [REDACTED] (Phonetic Sp.
14 *01:31:49). was up there.

15 [REDACTED]: [REDACTED]?

16 [REDACTED]: [REDACTED]. Oh. How do you
17 spell that?

18 [REDACTED]: He doesn't work here no more.

19 [REDACTED]: Okay.

20 [REDACTED]: Who else used to work up
21 there? Some dude that used to work here, named
22 [REDACTED] used to work up there. It's a bunch of
23 people.

24 [REDACTED]: So, you've got --

25 [REDACTED]: Track of all these names.

1 [REDACTED]: -- [REDACTED], [REDACTED], and
2 [REDACTED].

3 [REDACTED]: Yeah.

4 [REDACTED]: Have you seen them pre-fill -
5 have you heard or seen them - pre-fill round
6 sheets or count sheets?

7 [REDACTED]: I've heard of it. But, you
8 know, like, I haven't seen them do it, but I've
9 heard of it or whatever. And I do remember who
10 it was, though. I remember, at one point in
11 time, somebody showed me, like, oh, yeah, this
12 is how you -. Teaching me how to do the round
13 sheets. And taught me that way.

14 [REDACTED]: What did they teach you
15 exactly?

16 [REDACTED]: Like, I start here. So, the
17 time is 4:05. And you start at 4:05, finish at
18 4:06. The next one, you do at 4:07, 4:08.

19 [REDACTED]: So, that's why you, when you
20 saw that -.

21 [REDACTED]: That's when I saw that, and I
22 recognized it.

23 [REDACTED]: So, you think that's --

24 [REDACTED]: That's -.

25 [REDACTED]: -- that's how it was taught

1 for --

2 [REDACTED]: Mm-hmm.

3 [REDACTED]: -- how many round sheets have
4 you done? (Indiscernible *01:32:58) that it was
5 pre-filled?

6 [REDACTED]: Pre-filled?

7 [REDACTED]: Yeah.

8 [REDACTED]: I don't recall doing any pre-
9 filled round sheets on my career. Because it
10 was a situation -. Well, that's another story,
11 so I'm not even going to get into that.

12 [REDACTED]: Okay.

13 [REDACTED]: Yeah, but -.

14 [REDACTED]: You've never, on the round
15 sheets.

16 [REDACTED]: Hmm-mm.

17 [REDACTED]: How many count sheets have
18 you?

19 [REDACTED]: Now, the count sheets, on the
20 other hand, if, you know, you're in a hurry,
21 you fill it out --

22 [REDACTED]: Mm-hmm.

23 [REDACTED]: -- you execute it. And then,
24 you put it out. Because you're just, like, you
25 don't want to waste time just doing paperwork.

1 But obviously, I learned a valuable lesson from
2 that one.

3 [REDACTED]: So, I know on that one, that
4 a count wasn't actually done. Have there been
5 any other situations --

6 [REDACTED]: No.

7 [REDACTED]: -- where the counts haven't
8 been done?

9 [REDACTED]: No.

10 [REDACTED]: Do you know of any employees
11 that haven't been doing rounds or counts?

12 [REDACTED]: In SHU or just in the prison
13 in general?

14 [REDACTED]: Just in general.

15 [REDACTED]: Yeah.

16 [REDACTED]: The SHU is what we
17 concentrated --

18 [REDACTED]: Yeah.

19 [REDACTED]: -- but if you know in
20 general.

21 [REDACTED]: Nah, and - pfft - and
22 especially after all of this.

23 [REDACTED]: No. Let's talk about -
24 starting at that time, too - were you aware of
25 employees not doing rounds and counts?

1 [REDACTED]: No. But they were all -. I
2 do recall an incident where, I guess there was
3 a bad count. No. There was two good counts.
4 It was two good counts, and then, they figured
5 out it was a bad count the next shift or
6 whatever. So, basically, what people were
7 doing, they would look in on the computer to
8 see what the number was, fill out the paper,
9 and send it down. I remember that happening a
10 while back.

11 [REDACTED]: They looked on the computer
12 for the number?

13 [REDACTED]: Yeah.

14 [REDACTED]: How do you look --

15 [REDACTED]: Like --

16 [REDACTED]: -- on the computer?

17 [REDACTED]: -- they, I guess, like, you
18 know, somebody must have had work control, and
19 had E1 access, and just looked up the number --

20 [REDACTED]: Mm-hmm.

21 [REDACTED]: -- of what control would have
22 on the E1, then filled it out, and then said,
23 here you go. And turned it in. And that went
24 on for some time or whatever. So -.

25 [REDACTED]: When was this?

1 [REDACTED]: I don't even remember when it
2 is. But I remember that was -. I remember
3 that was a thing because it was, like, some
4 people were supposed to get in trouble for
5 that.

6 [REDACTED]: Do you recall if [REDACTED],
7 Noel, or any of the SHU staff had access to the
8 E1? Even yourself. Did you guys have access to
9 the E1 document?

10 [REDACTED]: No. I didn't have access to
11 the E1 at that time. No.

12 [REDACTED]: What about the rest of the
13 staff?

14 [REDACTED]: I don't think so.

15 [REDACTED]: How would they have the
16 count?

17 [REDACTED]: He already said.

18 [REDACTED]: No, he did, but I'm going to
19 ask about the 10:00 p.m. and the midnight. How
20 would they know to go off the -? I know you
21 went off the master sheet, right?

22 [REDACTED]: Mm-hmm.

23 [REDACTED]: What sheet -? What number -?
24 Where would they have got the number two? Not
25 for a 10:00 p.m. and a midnight.

1 [REDACTED]: With that --

2 [REDACTED]: (Indiscernible *01:35:18).

3 [REDACTED]: -- yeah, what would have

4 happened with that is, is you just, like, when,

5 like, I'm leaving at 10:00. So, I'm leaving at

6 10:00. And they were there for the 4:00 count.

7 So, they already know numbers.

8 [REDACTED]: From the 4:00?

9 [REDACTED]: They already know the numbers.

10 [REDACTED]: So, they're going based

11 upon the 4:00 count (Indiscernible *01:35:37) -

12 -

13 [REDACTED]: Right.

14 [REDACTED]: -- and if anybody left,

15 they would just subtract them from that number

16 --

17 [REDACTED]: Right.

18 [REDACTED]: -- that you used?

19 [REDACTED]: Mm-hmm.

20 [REDACTED]: Because they know that

21 the 4:00 p.m. count --

22 [REDACTED]: Yeah. So, like --

23 [REDACTED]: -- (Indiscernible

24 *01:35:44).

25 [REDACTED]: -- put, like, this -. All

1 right. So, let's just say for the sake of
2 argument, if 9:30, right? It's 9:30, lock the
3 institution down, you count, you take a count
4 at 10:00. You count at 10:00, and at this
5 point in time, you know, 12:00, you're off or
6 whatever. So, midnight comes around, your
7 relief comes in, or whatever the case. But in
8 this particular case, the only person that went
9 home was [REDACTED]. Because Noel was still
10 here. So, if Thomas was coming in, or
11 whatever, yo, Noel was here the whole time.
12 She knows all the numbers.

13 [REDACTED]: Right.

14 [REDACTED]: He ain't got to do nothing.

15 [REDACTED]: So, she know that the
16 4:00 count cleared, the number that you called
17 in was good at the time --

18 [REDACTED]: Mm-hmm.

19 [REDACTED]: -- or at least they said
20 it was good.

21 [REDACTED]: And nobody else left, or came
22 in, and this -.

23 [REDACTED]: So, they could just use
24 that number --

25 [REDACTED]: Mm-hmm.

1 [REDACTED]: -- as their base count,
2 and at the 10:00 p.m., anything that changed,
3 because Noel was --
4 [REDACTED]: Mm-hmm.
5 [REDACTED]: -- you know, constant.
6 She was there the whole time.
7 [REDACTED]: Yes.
8 [REDACTED]: Okay.
9 [REDACTED]: Have you ever slept on the
10 job while you was --
11 [REDACTED]: Not intentionally.
12 [REDACTED]: -- while you're sitting on
13 the computer.
14 [REDACTED]: Like, you know, you sitting on
15 the computer, you might.
16 [REDACTED]: Dose off.
17 [REDACTED]: A box of sandman. Especially
18 if you're doing 16 hours on the regular basis.
19 [REDACTED]: Did you sleep on August 9th -
20 -
21 [REDACTED]: No.
22 [REDACTED]: -- when you were working?
23 [REDACTED]: No.
24 [REDACTED]: Have you heard of a SHU -
25 let's just talk about SHU employees whenever

1 you were working - have you heard about SHU
2 employees sleeping on the job?

3 [REDACTED]: Rumors, but I never observed
4 it.

5 [REDACTED]: Okay. When you were those
6 three of you guys in there, did you observe
7 [REDACTED] or Noel sleeping --

8 [REDACTED]: No.

9 [REDACTED]: -- during the shift on August
10 9th?

11 [REDACTED]: No. I don't know how they
12 would because we was running the whole time.

13 [REDACTED]: There's going to be a lot
14 of unnecessary stuff in there, but if you want
15 to ask those.

16 [REDACTED]: Okay. Well, how do you
17 answer some of these questions, you said last
18 time you interacted with Epstein, something
19 triggered in your mind, right? And so, that's
20 why you told [REDACTED] and Noel --

21 [REDACTED]: Yeah.

22 [REDACTED]: -- to keep an eye on him.
23 Okay. Do you know if there was any threats
24 made to Epstein?

25 [REDACTED]: No.

1 [REDACTED]: Did you know why Epstein was
2 in prison?

3 [REDACTED]: Well, yeah. I watch the news.

4 [REDACTED]: Okay. Did you have any
5 feelings regarding why he was in prison?

6 [REDACTED]: No.

7 [REDACTED]: Did Epstein have -. Go
8 ahead. You were going to say something.

9 [REDACTED]: Like, feelings, what you did
10 is what you did. My personal feelings don't
11 matter. It's a job. You know what I'm saying?
12 So, like, I do my best for something like that.
13 That's why I don't personally like to read
14 people's paperwork. Because once you know, you
15 can't un-know it.

16 [REDACTED]: Mm-hmm.

17 [REDACTED]: So, but nah, I didn't have any
18 feelings towards him or whatever. I'm, like,
19 okay, he needs to go here, he needs to go -.
20 All right. There you go. There you go.

21 [REDACTED]: What is your understanding of
22 what happened to Epstein on August 9th and 10th
23 of 2019?

24 [REDACTED]: My understanding of it was
25 that --

1 [REDACTED]: What is your understanding of
2 what happened to him?

3 [REDACTED]: -- that he hung himself. He
4 hung himself in the cell.

5 [REDACTED]: What is your - you said he
6 hung himself?

7 [REDACTED]: Yeah. That's my understanding
8 of what happened.

9 [REDACTED]: Do you have any information
10 with regard to any suspicious activity that
11 occurred on August 9th and 10th, 2019, leading
12 up to the discovery of Epstein in his cell?

13 [REDACTED]: No.

14 [REDACTED]: What do you know about
15 someone else taking Epstein's life?

16 [REDACTED]: Nothing.

17 [REDACTED]: What do you know about
18 other's assisting in taking Epstein's life?

19 [REDACTED]: Nothing.

20 [REDACTED]: Did Epstein take his own
21 life?

22 [REDACTED]: I wasn't there, but I would
23 assume so.

24 [REDACTED]: Did Epstein act alone in
25 taking his own life?

1 [REDACTED]: I would assume so. I wasn't
2 there. I didn't see anything, but -.

3 [REDACTED]: Did you have any involvement
4 with Epstein's death?

5 [REDACTED]: No.

6 [REDACTED]: What would have prevented
7 Epstein's death? What actions could have been
8 taken to prevent his death?

9 [REDACTED]: I mean, personally, I feel
10 that if a person wants to take their own life,
11 they're going to do it. You know? So, I do not
12 know.

13 [REDACTED]: Do you think them actually,
14 if the C.O.s actually did the rounds and the
15 counts, it could have helped?

16 [REDACTED]: I think it could have been a
17 deterrent, but the truth of the matter is, if
18 somebody is actually attempting to do that,
19 they're going to do it. That's not going to
20 stop. And the only reason I say that is
21 because of my mother's (Indiscernible
22 *01:40:12). If you want to do it, you're going
23 to do it.

24 [REDACTED]: What about in a cell? In
25 a cell, though, if he actually had a cell mate

1 in there. Do you think that that would have
2 potentially helped to actually somebody else in
3 there?

4 [REDACTED]: Yes and no. I think it might
5 have deterred him for a bit, but, you know?

6 [REDACTED]: He would have found a
7 way?

8 [REDACTED]: He would have found a way. If
9 that's really what you wanted to do, you would
10 have found a way. But that's an opinion.

11 [REDACTED]: At least in this specific
12 circumstance, you think that, between the
13 counts and the rounds, and then getting an
14 actual cell mate in there for him, because he
15 was required to have a cell mate, do you think
16 that those things would have at least helped?

17 [REDACTED]: I think it would have helped.
18 Yes.

19 [REDACTED]: What is some of the
20 systematic problems inside the MCC - and
21 specifically, the SHU - that allowed for
22 Epstein to die?

23 [REDACTED]: A lack of staff. Overworked
24 staff. Not getting clear instructions on what
25 to do in certain instances; i.e., you know, he

1 doesn't have a cell mate, but there was no
2 directive of who to put in there. Like I said,
3 if you have an odd number, you don't have a
4 body to put there.

5 [REDACTED]: Hmm.

6 [REDACTED]: You can't just take an inmate
7 from another house that didn't do anything,
8 just because you trust him, and put him in
9 there.

10 [REDACTED]: So, you're saying there
11 should have been a backup inmate?

12 [REDACTED]: There should have been a
13 backup plan for that. You know, and it was -.
14 To me, it was decisions made, on the part of
15 the institution, that were wrong. And because
16 they made these decisions, now those other two
17 officers have to pay for it. You know,
18 Epstein, as high-profile as he is, should not
19 have been in SHU. He should have been in Ten
20 South.

21 [REDACTED]: Why do you say that?

22 [REDACTED]: That's not a decision that we
23 get to make. Because he's too high a profile.
24 Look, after that thing hit the news, the world
25 knew who he was. The world knew who El Chapo

1 was. El Chapo never touched a unit. He went
2 straight to Ten South. Why would you put
3 somebody that high-profile, you know, that
4 close to regular, every day inmates.

5 [REDACTED]: Now, if people are in Ten
6 South, can they have attorney visits?

7 [REDACTED]: Yes.

8 [REDACTED]: So, they can still do
9 that attorney visit all day long --

10 [REDACTED]: But they don't --

11 [REDACTED]: -- if --

12 [REDACTED]: -- they could. But in Ten
13 South, the attorney goes up to Ten South.
14 There is a room where it's a barrier between --
15 they can talk to each other, but it's a glass
16 and stuff in there, anything that needs to get
17 handed, you know, search it, and then, you pass
18 it over. You could obviously can't read
19 anybody's legal work, but you make sure that
20 there's no contraband in there, when it has --
21 And there's another room in there with a slot
22 that they can, that the lawyer could do that,
23 but the lawyer has to show it to you first, and
24 then hand it to the inmate.

25 [REDACTED]: Do you think that the

1 attorney visits had anything to do with the
2 fact that he wasn't placed in Ten South?

3 [REDACTED]: I definitely think that's a
4 possibility. You hear lawyer, and they jump,
5 too.

6 [REDACTED]: Right.

7 [REDACTED]: Perfect example is - and this
8 is more so the systemic problems that are here
9 - if an inmate says, I want to talk to my
10 family, I want to -. For whatever reason, you
11 know, and they get a call from the judge, the
12 lawyer, anything of the sort. They're going
13 to, oh, you've got to give this inmate a phone
14 call, even though this inmate just had his
15 required phone call, and it's not time for that
16 phone call again. As soon as you hear lawyer
17 or judge or whatever, they're going to tell you
18 to do that.

19 [REDACTED]: Sure.

20 [REDACTED]: Even though he's supposed to
21 wait his time. You know, so, but that's how -.
22 I hope that answers your question.

23 [REDACTED]: Yeah.

24 [REDACTED]: Fair enough. That's enough.

25 [REDACTED]: Just back to the call

1 that you said that you made some time between
2 9:30 and 10:00. Would it have potentially been
3 to the control center?

4 [REDACTED]: I guess it's possible. It was
5 definitely possible. Because if anything or
6 whatever, like, because that is one of the
7 places that we call, control, the lieutenant's
8 office, the unit team, and, you know, sometimes
9 you might make a phone call, like, oh, no, this
10 person ain't here, try this person, try control
11 center. So, it's definitely possible.

12 [REDACTED]: So, looking at the 9th,
13 that roster, who would have been on between
14 9:30 and 10:00 --

15 [REDACTED]: This is --

16 [REDACTED]: -- in control center --

17 [REDACTED]: -- the 9th.

18 [REDACTED]: -- or the lieutenant's
19 office? Who could have been some potential
20 possibilities that you spoke with?

21 [REDACTED]: Hmm. Now, I could have
22 possibly spoke to [REDACTED]. I could have - and
23 honestly, enough - I could have definitely,
24 possibly spoke to [REDACTED] or [REDACTED], too.
25 But yeah. I wouldn't have asked him.

1 [REDACTED]: Okay.

2 [REDACTED]: Was there any that you
3 said you definitely would have spoken to
4 someone higher than you? Are you any of those
5 people higher than you?

6 [REDACTED]: I mean --

7 [REDACTED]: Or were then.

8 [REDACTED]: -- well, [REDACTED]
9 (Indiscernible *01:44:52), I'm a seven, they're
10 eights.

11 [REDACTED]: Okay.

12 [REDACTED]: You know, and they've been in
13 the building for so long, that they --

14 [REDACTED]: Sure, sure, sure.

15 [REDACTED]: -- they know every nook and
16 cranny in here.

17 [REDACTED]: Yeah, yeah, yeah.

18 [REDACTED]: So, that's, like, that's one
19 of the people, like, oh, wait a minute, I don't
20 know how to do something. Hey, can you teach
21 me how to do this?

22 [REDACTED]: Sure.

23 [REDACTED]: You know, so, they always gave
24 me good information. So, I would have probably
25 asked them. [REDACTED] is always giving me good

1 information when I'm trying to learn something.

2 So, I might have asked him.

3 [REDACTED]: And so, now - and again,
4 thinking back on, like, how, like you're
5 saying, this is such a higher profile thing,
6 and this was so in the media, and everybody who
7 knew who he was after this - thinking back to
8 that, and thinking, like, oh, shit, I knew he
9 didn't have a cell mate, I know I called
10 somebody, that doesn't help jog your memory of
11 what was said, or what was done, and the fact
12 that you're involved now, specifically, with
13 central --

14 [REDACTED]: Yeah. And I'm --

15 [REDACTED]: -- (Indiscernible
16 *01:45:41).

17 [REDACTED]: -- and I'm trying to remember
18 exactly who I spoke to. I really am.

19 [REDACTED]: Because I mean --

20 [REDACTED]: Yeah.

21 [REDACTED]: -- wouldn't you have
22 thought of that, like, even, like, that day
23 after, like, oh, man, good thing I called that
24 person and told them?

25 [REDACTED]: Yeah. And, like, the only

1 reason, I'm assuming that the reason that I
2 don't remember is because I was just moving so
3 fast. Like, I'm usually very, very detailed
4 and trying to remember things, and --

5 [REDACTED]: Sure, sure.

6 [REDACTED]: -- you know, but --.

7 [REDACTED]: All right. And then, do
8 you know anything about, if the 10:00 p.m.
9 count was conducted?

10 [REDACTED]: That, I don't know.

11 [REDACTED]: You just --

12 [REDACTED]: That --

13 [REDACTED]: -- you were gone.

14 [REDACTED]: -- I was gone.

15 [REDACTED]: Okay. So, you were
16 definitely gone by --

17 [REDACTED]: Yeah. I was definitely gone.

18 [REDACTED]: -- before the 10:00 p.m.
19 count. All right. Do you want to ask
20 anything?

21 [REDACTED]: No.

22 [REDACTED]: Do we have - on the other
23 interview sheets, I had, like, the list of
24 (Indiscernible *01:46:33). Some here. Let me
25 just look.

1 [REDACTED]: Initial. Just initial this
2 one, too.

3 [REDACTED]: Do you know anything
4 about Epstein being prematurely removed from
5 suicide watch; and the reasons why, if he was?

6 [REDACTED]: Prematurely removed? Factually
7 speaking, I don't know if it's premature. I'm
8 not psych. Personally speaking, yeah, I think
9 it's probably a little fast.

10 [REDACTED]: Do you know if anybody
11 had any influence on him being removed from
12 suicide watch?

13 [REDACTED]: That, I don't know.

14 [REDACTED]: Okay. So, you don't know
15 anything about, like, attorneys, or judges, or
16 wardens, or anything --

17 [REDACTED]: No.

18 [REDACTED]: -- who had contact with
19 him?

20 [REDACTED]: Yeah. I don't get to be privy
21 to that.

22 [REDACTED]: Sure. Do you know
23 anything about the MCC SHU cameras being
24 tampered with or manipulated?

25 [REDACTED]: No.

1 [REDACTED]: No. Do you know anything
2 about Epstein being in his assigned cell on
3 August 10th? Not being in his assigned cell on
4 August 10th, 2019?

5 [REDACTED]: No. Not being in his assigned
6 _-? You mean, that's because the 10th is when he
7 was discovered?

8 [REDACTED]: Correct.

9 [REDACTED]: Hmm. No.

10 [REDACTED]: So, you don't -.

11 [REDACTED]: Like, so, he was -. Because,
12 I mean, like, I worked that day, but I worked
13 at 2:00. So -.

14 [REDACTED]: Who's in charge of making
15 sure that the inmates are in the cells that
16 shows within the - I don't know if it was
17 Sentry or what system would I be that inmate
18 cell assignments are in?

19 [REDACTED]: Oh, like, the Sentry. Sentry.
20 Yes.

21 [REDACTED]: So, whose job is it to
22 ensure that --

23 [REDACTED]: That the -.

24 [REDACTED]: -- Sentry matches what
25 cells they're in?

1 [REDACTED]: That's a collective. Really.
2 You know, in the SHU, there's supposed to be
3 the OIC. And probably with a little help from
4 C&A. On a regular housing unit, you get a new
5 inmate, hey, C&A, I got this new inmate, here's
6 his numbers, and here's the bed assignment, and
7 C&A keys it in. In SHU, usually - because it's
8 supposed to be four people in there - the SHU
9 OIC would key the inmate in, when they arrive.
10 [REDACTED]: Okay. So, if after
11 they're -. So, if he arrives from suicide
12 watch on July 30th, 2019, and he's placed in
13 cell A --
14 [REDACTED]: Mm-hmm.
15 [REDACTED]: -- but for whatever
16 reason, a few hours later, it's determined he
17 can't be in cell A, he's got to be in cell B,
18 and him and his roommate, Reyes, were moved
19 over to cell B. Who's responsible for making
20 that change?
21 [REDACTED]: For making it physically or on
22 the computer?
23 [REDACTED]: In the computer.
24 [REDACTED]: You, like, you, normally, you
25 would want it to be the OIC. For this

1 particular case, I would assume that a
2 lieutenant would have been all over that, and
3 they would have made sure it was done properly.

4 [REDACTED]: So, in this case, should
5 it have been Lieutenant [REDACTED], who was the SHU
6 lieutenant?

7 [REDACTED]: Yeah.

8 [REDACTED]: All right. So, he should
9 have been making sure -. So, I mean, it's from
10 July 30th all the way to August 10th. He's in
11 a cell that doesn't match up with what Sentry
12 says.

13 [REDACTED]: Yeah. That's not good.

14 [REDACTED]: So, who, during that
15 period, should have caught that --

16 [REDACTED]: That would have been --

17 [REDACTED]: -- (Indiscernible
18 *01:49:33)?

19 [REDACTED]: -- that would have been the
20 SHU lieutenant.

21 [REDACTED]: The SHU lieutenant --

22 [REDACTED]: Yeah.

23 [REDACTED]: -- would have audited
24 those reports?

25 [REDACTED]: Yeah.

1 [REDACTED]: To see who is in -. And
2 how often is that audited, do you know?
3 [REDACTED]: I don't know right off hand.
4 [REDACTED]: Okay.
5 [REDACTED]: But yeah. SHU lieutenant
6 should have caught that one.
7 [REDACTED]: And does that --
8 [REDACTED]: Yeah.
9 [REDACTED]: -- have anything to do
10 with the OIC on the different shifts, to say,
11 like, all right, are these inmates in their
12 appropriate cells, or is Sentry up to date?
13 [REDACTED]: We can ask one another these
14 questions or whatever, but it's very difficult
15 --
16 [REDACTED]: Okay.
17 [REDACTED]: -- to, you know, do that with
18 everything that's going on, because even during
19 shift change, nothing stops moving. So, the
20 way I was taught is, like, the morning watch
21 shift, because things slowed down, is they're
22 supposed to go through the paperwork and check
23 it, and fix everything.
24 [REDACTED]: Okay.
25 [REDACTED]: This is the way that I was

1 taught how to do it. You know? So.

2 [REDACTED]: Yeah, but ultimately, you
3 believe it was the SHU lieutenant that should
4 have been responsible?

5 [REDACTED]: Yes.

6 [REDACTED]: Is that a yes or no?

7 [REDACTED]: Yes.

8 [REDACTED]: Do you know -. Did we
9 ever talk about cell searches?

10 [REDACTED]: No.

11 [REDACTED]: Do you know if cell
12 searches were being conducted in the SHU in
13 July and August of 2019?

14 [REDACTED]: On my shift, no. On the day
15 shift, that's when they're supposed to be
16 conducted, because you have more staff, and you
17 can pull inmates out and actually execute that.
18 On the evening shift, you don't have enough
19 staff to do that.

20 [REDACTED]: Per policy, in the SHU,
21 aren't you supposed to - even at that time - to
22 be doing five cell searches per shift?

23 [REDACTED]: Yeah. You're supposed to do
24 five cell searches per shift, but being that
25 they're in the SHU and you can't just pull them

1 out like that, it's impossible to do that. So,
2 when you do your searches in SHU, you search
3 kind of, like, the common areas, and, you know,
4 things of that nature, during the day, you
5 know, because inmates are going to recreation,
6 medical, and all this, and things of that
7 nature, or whatever. And so, and you have more
8 people. So, it's a lot easier to move people
9 from one place, holding cell over here, search
10 the cell, put them back. It's a lot easier.
11 When I'm on the evening shift, if, you know, if
12 I'm doing social visits - social visits, well,
13 that, too - social visits, or phone calls, or
14 cell sanitation, meaning that, you know,
15 inmates get the broom and sweeps out his cell,
16 I hold the bag up to the slot, he throws his
17 trash out, and then I'm onto the next one. You
18 know, it's --

19 [REDACTED]: Okay.

20 [REDACTED]: -- yeah.

21 [REDACTED]: So, are you aware that,
22 at the time, in August 2019, though, it was a
23 policy at least, maybe not practice, but a
24 policy, that five cell searches were supposed
25 to be being conducted during the evening watch?

1 [REDACTED]: No.

2 [REDACTED]: You didn't even know
3 that?

4 [REDACTED]: No.

5 [REDACTED]: So, they were not being
6 conducted then?

7 [REDACTED]: No. Not cells.

8 [REDACTED]: Yeah.

9 [REDACTED]: Because you don't have the
10 people --

11 [REDACTED]: Sure.

12 [REDACTED]: -- to pull these inmates out.

13 [REDACTED]: And the morning watch,
14 that was the policy, that you just conduct
15 searches of the common areas. But during day
16 watch, and night watch, you were supposed to be
17 doing cell searches.

18 [REDACTED]: Easier enough if you have a
19 full crew --

20 [REDACTED]: Right.

21 [REDACTED]: -- but if you don't have a
22 full crew, how are you going to execute that?

23 [REDACTED]: So, the reason why they
24 weren't being done is because you were
25 understaffed?

1 [REDACTED]: Mm-hmm.

2 [REDACTED]: Okay. Overworked and
3 understaffed?

4 [REDACTED]: Yes.

5 [REDACTED]: Okay. Do you remember
6 them ever being done at night watch?

7 [REDACTED]: No. I've never seen a cell
8 search conducted on the evening shift.

9 [REDACTED]: Okay. That's all I got.

10 [REDACTED]: That's all I got, too.

11 [REDACTED]: Anything - you've got
12 questions for us? - or anything you want to ask
13 about this stuff, or -?

14 [REDACTED]: Hmm. Where do I stand in the
15 mix of all this, at this point?

16 [REDACTED]: We don't -. This is a
17 big investigation. We're talking to a ton of
18 people.

19 [REDACTED]: Mm-hmm.

20 [REDACTED]: So, as far as what we do
21 is, we just basically put the puzzle together.

22 [REDACTED]: Mm-hmm.

23 [REDACTED]: We don't, you know, say
24 this person or, you know? We basically give our
25 report to the BOP, and the BOP determines --

1 [REDACTED]: Mm-hmm.

2 [REDACTED]: -- what it is that's
3 going to happen to people. So, I can't
4 necessarily say this or that, how you stand, or
5 how you don't stand. We're the fact finders.

6 [REDACTED]: Mm-hmm.

7 [REDACTED]: You know, we, you know,
8 we present information. We don't make
9 determinations. So, based upon, you know - and
10 again, I think you've already provided all this
11 information in the past - it's just now, we
12 needed to gain clarification of exactly what
13 you meant from what you said --

14 [REDACTED]: Okay.

15 [REDACTED]: -- and that was, again,
16 the purpose of this. So, we can't really say.
17 What we can say is that - again - you're kind
18 of, like, a small piece of this puzzle.

19 [REDACTED]: Mm-hmm. My next question is,
20 even though this happened so long ago, why wait
21 so long?

22 [REDACTED]: And then, that's --

23 [REDACTED]: Because that's not the only -.
24 Like, that's an incident, yes, and it's a big
25 one, but working in here, things happen all the

1 time. So --

2 [REDACTED]: Sure.

3 [REDACTED]: -- to be expected to remember

4 --

5 [REDACTED]: I totally understand.

6 [REDACTED]: -- something from 2019, all
7 the way to 2021, and since that timeframe, I've
8 had other inmates attempt suicide, I've had --

9 [REDACTED]: Sure.

10 [REDACTED]: -- other inmates attack staff
11 members. I've had to, you know, be a part of a
12 use of force teams. Multiple things. And I
13 got to go back to 2019 and try to remember
14 specific details --

15 [REDACTED]: Absolutely. No, and that
16 is --

17 [REDACTED]: -- do you know how difficult
18 that is?

19 [REDACTED]: -- I couldn't agree more,
20 and those details should have been provided in
21 2019. They should have been asked. It's part
22 of the reason why a senior special agent is on
23 this, is to make sure that these questions are
24 being asked --

25 [REDACTED]: Oh.

1 [REDACTED]: -- and it's also why
2 there's a new case agent. So - you know, on
3 this - so, to make sure that we're going
4 through these things, it's, like, why weren't
5 these questions asked? Why weren't, you know,
6 that's part of the reason --

7 [REDACTED]: Yeah.

8 [REDACTED]: -- why we're here.

9 [REDACTED]: And -.

10 [REDACTED]: Is to say, like, all
11 right, well, we'll reading this, but what does
12 he mean by that? You know what I mean?

13 [REDACTED]: Mm-hmm.

14 [REDACTED]: So, that's - again - why
15 we're here, is, like, all right, I could see
16 that you said whatever it is you said, but it's
17 not clear at all with what you meant.

18 [REDACTED]: Right.

19 [REDACTED]: And so, that's why we're
20 here, is to just get clarity on exactly what it
21 was that was stated, and it's also part of the
22 reason why we've --

23 [REDACTED]: Got the recorder.

24 [REDACTED]: -- recorded every single
25 on these, is so that we don't have that problem

1 in the future of, like, well, now we can say
2 exactly what was the question that was asked,
3 what was stated --

4 [REDACTED]: Stated --

5 [REDACTED]: -- in response.

6 [REDACTED]: -- and what was meant.

7 [REDACTED]: Right.

8 [REDACTED]: Mm-hmm.

9 [REDACTED]: And so, that's part of
10 it. The old case agent, at least from us, is
11 no longer with us. So, that's another reason
12 why, you know, there's a lot of reasons why
13 we're doing it now, and we weren't able to do
14 it for a time period.

15 [REDACTED]: Mm-hmm.

16 [REDACTED]: I'm just not -. I'm not
17 sure that I can, you know, I can disclose what
18 those --

19 [REDACTED]: Mm-hmm.

20 [REDACTED]: -- reasons were. But
21 there were reasons. And now, we're trying to
22 move as fast as we can. I don't know if you've
23 heard, but we've been in here talking to a lot
24 of people.

25 [REDACTED]: Yeah. I've heard. I heard

1 that somebody was here. Who it was, I don't
2 know.

3 [REDACTED]: Yeah. Yeah.

4 [REDACTED]: But now, I do.

5 [REDACTED]: Yeah. So, we're talking
6 to a lot of people, especially a lot of people
7 that, you know, worked August 9th and 10th,
8 because we've got to, you know --

9 [REDACTED]: Mm-hmm.

10 [REDACTED]: -- got to make sure that
11 we have our information right. Not just that
12 we talked to people, but we've got to make sure
13 that that's the actual, accurate information.
14 So --

15 [REDACTED]: Fair enough.

16 [REDACTED]: -- so, that's why we're
17 back out here, is primarily to make sure that
18 things are accurate.

19 [REDACTED]: Okay. Not a problem. And so,
20 with all this and everything like that, so,
21 what's the next course of action? So, I've been
22 interviewed, you're still interviewing other
23 people. So, what happens next?

24 [REDACTED]: That's what we're kind of
25 saying, is, like, we take the information and

1 we pass it along. When that will happen, I
2 couldn't tell you that.

3 [REDACTED]: Okay.

4 [REDACTED]: Ultimately, though, I
5 would think what would, you know, if you're
6 talking about what happens specifically with
7 you, that would be in the hands of the BOP.
8 So, and who in the BOP? I don't know about
9 that.

10 [REDACTED]: Okay.

11 [REDACTED]: I don't know if it
12 happens with the warden level. I don't know if
13 it happens with OIA. I don't know what happens
14 there. But yeah. Timing. Like, I don't know.
15 All I know is we're not judge and jury. All we
16 are is the --

17 [REDACTED]: Mm-hmm.

18 [REDACTED]: -- the questioners.

19 [REDACTED]: Do the -. Find the facts.

20 [REDACTED]: Gotcha.

21 [REDACTED]: Can I see all the documents
22 we showed? You signed all?

23 [REDACTED]: Yeah, he did.

24 [REDACTED]: You sure. All right.

25 Anything in there, right? I think this --

1 [REDACTED]: Nope.

2 [REDACTED]: -- I think this part right
3 here now. Right?

4 [REDACTED]: All right. Anything
5 else?

6 [REDACTED]: If you can think of anything
7 else, anything else you think that you forgot
8 to share with us --

9 [REDACTED]: Mm-hmm.

10 [REDACTED]: -- you're (Indiscernible
11 *01:57:23).

12 [REDACTED]: Now, on that note,
13 though, being that this will be reviewed, is
14 there anything you want to say for the record?

15 [REDACTED]: Pretty much that, like,
16 although it may be a tragedy that he's gone, I
17 wasn't here, I didn't have anything to do with
18 it. And I really don't think that, you know,
19 Thomas and Noel should be going through what
20 they're going through. I'm not saying that
21 they didn't make a mistake. But that's
22 personal opinion.

23 [REDACTED]: Okay.

24 [REDACTED]: Are you still in
25 communication with them?

1 [REDACTED]: No. I never had either one of
2 their phone numbers.

3 [REDACTED]: Okay.

4 [REDACTED]: Okay. Great. Well, I
5 appreciate your time. Thank you very much for
6 your cooperation. It is --

7 [REDACTED]: 8:16.

8 [REDACTED]: -- 8:16 p.m. This is
9 Senior Special Agent [REDACTED], and I'm
10 turning off the recorder.
