He asked for girls [REDACTED] age or younger. [REDACTED] had told EPSTEIN that she was 16 years old when she first met him. EPSTEIN's cleaning lady knew [REDACTED] age and knew what school she went to and knew when she was graduating. She knew when she got out of school. All the girls were the same age. [REDACTED] started to see EPSTEIN but not with [REDACTED].

LESLIE asked [REDACTED] on the phone if her friend [REDACTED] was in school with her and how old she was. They were interested in [REDACTED]. LESLEY called [REDACTED] to ask about [REDACTED]. [REDACTED] had said to [REDACTED] that he wants young girls.

The money would always come from the cleaning lady. She got paid \$200. She may have gotten paid \$300-\$350 when she brought [REDACTED].

[REDACTED] felt like it was a competition for money between her friends. They would sometimes get calls to come separately.

EPSTEIN gave [REDACTED] a purse as a gift once. The gift was given to [REDACTED] by the cleaning lady. [REDACTED] sells the purse around the holiday time. [REDACTED] never received anything else from EPSTEIN.

[REDACTED] had a nokia phone back then. Her phone number may have been [REDACTED].

No other persons were ever in the massage room other than [REDACTED] friends. [REDACTED] never discussed what happened in the massage room with either LESLEY or the cleaning lady.

EPSTEIN's house was on either on 71 street or 73 street near 5th Avenue near the park. [REDACTED] never saw EPSTEIN outside of his house.
