Sure, the issue is that these folks are calling from the MCC, with their grand jury date tomorrow, and so we need to lock in dates relatively quickly. Can you send us any non-Epstein investigation related scheduling conflicts for the next week so we can try to work around them? And if there's a resources issue, let us know if there's anything we can do and I'd be happy to go to bat to try to get whatever you need. Thanks!

Can we all coordinate to check availability before we keep scheduling, especially since we need oig and fbi present. And even more so if we have multiple interviews the same day and time
